**RECORD OF THE ANNUAL TOWN MEETING
HELD IN THE JUNIOR-SENIOR HIGH SCHOOL
AUDITORIUM**

MILLIS, MASSACHUSETTS, MONDAY, MARCH 9, 1970

The Annual Business Meeting of the Town of Millis, Massachusetts was held Monday evening, March 9, 1970, in the Junior-Senior High School Auditorium and was called to order by the Town Moderator, Philip J. Gavin, Jr., at 7:49 P.M.

The Town Warrant calling this business meeting was signed by Selectmen Donald M. Kuhn, Thomas S. Lydon and Henry J. Lewandowski and was posted on February 21, 1970 in accordance with the By-laws of the Town of Millis by William F. Carlson, Constable.

The following served as Voting List Inspectors: Alfreda M. Clark, Lorraine Consoletti, Mary M. Germano and Ella Mae Pollard.

The following Tellers were appointed and sworn in by the Moderator: Royden Y. Barrett, Russell Brodeur, Joseph T. Cassidy, Robert J. Healy, Varoujan Karentz and Herbert F. Works.

The invocation was given by Rev. William C. Fleming, United Church of Christ.

The Moderator announced that if this meeting is recessed, anyone wishing to reconsider any vote must notify the Town Clerk and the reconsiderations would have to be put on the postcards to be mailed.

VOTED that the reading of the warrant and return of the service thereof be omitted.

VOTED that the Moderator be granted unanimous consent to omit the reading of the articles and refer to them under numbers and subject matter.

As Articles 1 and 2 were acted on at the Annual Town Election held on March 2, 1970, business proceeded directly to Article 3.

Article 3. To see if the town will vote to adopt Schedule "A," classification plan, and Schedule "B," salary plan, and other related parts as outlined in the Personnel Committee report dated January 21, 1970, or act in any manner relating thereto.

VOTED that the town adopt Schedule "A," classification plan, and Schedule "B," salary plan, and other related parts as outlined in the Personnel Committee report dated January 21, 1970.

-----	------------------------	------	------	----------	---

Article 4. To see if the town will, under the provisions of Section 21A of Chapter 40 of the General Laws, provide sick leave for town employees that are classified as full time under the Personnel Committee rating in accordance with the Personnel Committee's annual report by amending the Town Employee Benefits Schedule C as follows: Sick Leave, change to read "15 days per year cumulative to 45 days," or act in any manner relating thereto.

VOTED that the town, under the provisions of Section 21A of Chapter 40 of the General Laws, provide sick leave for town employees that are classified as full time under the Personnel Committee rating in accordance with the Personnel Committee's annual report by amending the Town Employee Benefits Schedule C as follows: Sick Leave, change to read "15 days per year cumulative to 45 days."

Article 5. To see if the town will vote to fix the compensation of elected officers, provide for a reserve fund, and to determine what sums of money the town will raise and appropriate, including appropriations from available funds, to defray charges and expenses of the town, including debt and interest, for the ensuing year, or act in any manner relating thereto.

VOTED that the amounts of money set forth in the printed report of the Finance Committee be appropriated or transferred for the several purposes therein itemized, each numbered item being considered as a separate appropriation or transfer and that the same be expended only for such purpose.

Article 6. To see if the town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1970, and January 1, 1971, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17, or act in any manner relating thereto.

VOTED that the town authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1970, and January 1, 1971, in accordance with the provisions of the General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17.

Article 7. To see if the town will vote to raise and appropriate from taxation or available funds in the treasury a sum of money to be added to the Stabilization Fund in accordance with the provisions of Section 5B, Chapter 40, General Laws, or act in any manner relating thereto.

VOTED that the town appropriate and transfer from available funds the sum of \$50,000.00 to be added to the Stabilization Fund in accordance with the provisions of Section 5B, Chapter 40, of the General Laws of Massachusetts.

Article 8. To see what disposition the town will make of the money refunded by the county on account of dog licenses, or act in any manner relating thereto.

No action necessary on this article as this was covered by Line 118 under Article 5.

Article 9. To see if the town will, in accordance with the provisions of Chapter 41, Section 4A, of the General Laws of Massachusetts, authorize the Cemetery Commissioners, Sewer Commissioners, Water Commissioners, Board of Assessors and Park Commissioners to appoint any of their own members to any other town office or position for the provided by law and fix the salaries of such offices or positions, or act in any manner relating thereto.

VOTED that the town, in accordance with the provisions of Chapter 41, Section 4A, of the General Laws of Massachusetts, authorize the Cemetery Commissioners, Sewer Commissioners, Water Commissioners, Board of Assessors and Park Commissioners to appoint any of their own members to any other office or position for the term provided by law and fix the hourly rates of such offices or positions at \$2.50 per hour. Said monies to be obtained from their respective budgets under Article 5.

Article 10. To see if the town will vote to authorize the Board of Sewer Commissioners to appoint their own Sewer Registrar, or act in any manner relating thereto.

VOTED that the town authorize the Board of Sewer Commissioners to appoint their own Sewer Registrar.

Article 11. To see if the town will vote to authorize the Tree Warden to work for the Tree Department and be paid on an hourly basis, the money to be paid from the Tree Department appropriation, or act in any manner relating thereto.

VOTED that the town authorize the Tree Warden to work for the Tree Department and be paid on an hourly basis at \$2.50 per hour, the money to be paid from the department appropriation under Article 5.

Article 12. To see if the town will vote to authorize the Park Commissioners to appoint one of their members to the position of Superintendent of Parks and who will be paid on an hourly basis, the

money to be obtained from the Parks appropriations, or act in any manner relating thereto.

No action required, covered by Article 9.

Article 13. To see if the town will, in accordance with the provisions of Chapter 41, Section 4A of the General Laws of Massachusetts, vote to authorize the Board of Health to appoint any of their own members to any other town office or position for the term provided by law, and fix, the salaries of such offices or positions at \$2.40 per hour, or act in any manner relating thereto.

VOTED that the town, in accordance with the provisions of Chapter 41, Section 4A of the General Laws of Massachusetts, authorize the Board of Health to appoint any of their own members to any other office or position for the term provided by law and fix the hourly rate for such offices and positions at \$2.40 per hour, the money to be paid from the department appropriation under Article 5.

Article 14. To see whether the town will vote to amend the zoning map by changing the map area of approximately 800 feet by 800 feet on the westerly side of Pleasant Street from Industrial to Residential II. Said area being approximately 1,000 feet north of Village Street and being the only Industrial area on said Pleasant Street, or act in any manner relating thereto.

MOTION made by Mr. William R. Horsfall, Jr., Finance Committee member, that the town vote to amend the zoning map by changing the map area of approximately 800 feet by 800 feet on the westerly side of Pleasant Street from Industrial to Residential II. Said area being approximately 1,000 feet north of Village Street and being the only Industrial area on said Pleasant Street.

The report of the Planning Board was read by the Moderator.

MOTION made by Mr. James T. Power that Article 14 be Dismissed.

VOTED to Dismiss Article 14.

Article 15. To see if the town will amend the zoning map by changing that area on the easterly side of Acorn Street which is pres-

ently designated Industrial A to Residential II. Said area being the only Industrial A area on the easterly side of Acorn Street, or act in any manner relating thereto.

The report of the Planning Board was read by the Moderator.

It was UNANIMOUSLY VOTED that the town amend the zoning map by changing that area on the easterly side of Acorn Street which is presently designated Industrial A to Residential II. Said area being the only Industrial A area on the easterly side of Acorn St.

Article 16. To see if the town will vote to amend the zoning map by changing that area on the westerly side of Acorn Street and off the westerly side of Acorn Street presently designated as Industrial A to Residential II. Said area being the only Industrial A area on or off the westerly side of Acorn Street, or act in any manner relating thereto.

The report of the Planning Board was read by the Moderator.

It was UNANIMOUSLY VOTED that the town amend the zoning map by changing that area on the westerly side of Acorn Street and off the westerly side of Acorn Street presently designated as Industrial A to Residential II. Said area being the only Industrial A area on or off the westerly side of Acorn Street.

Article 17. To see whether the town will vote to amend the zoning by-laws Section II-B (1) by adding after the words "center line thereon," the words "as said line existed at the date of adoption of the zoning map," or act in any manner relating thereto.

The report of the Planning Board was read by the Moderator.

It was UNANIMOUSLY VOTED that the town amend the zoning by-laws Section II-B (1) by adding after the words "center line thereon," the words "as said line existed at the date of adoption of the zoning map."

Article 18. To see whether the town will vote to amend the zoning by-laws Section III-B (1) by adding after the word "districts" in line two thereof the words "first having obtained such special permit from the Zoning Board of Appeals," or act in any manner relating thereto.

The report of the Planning Board was read by the Moderator.

It was UNANIMOUSLY VOTED that the town amend the zoning by-laws Section III-B (1) by adding after the word "districts" in line two thereof the words "first having obtained such special permit from the Zoning Board of Appeals."

Article 19. To see if the town will vote to amend the zoning by-laws Section III-C (2) by striking out in line one thereof the word "appeal" and substituting in place thereof the words "special permit," or act in any manner relating thereto.

The report of the Planning Board was read by the Moderator.

It was UNANIMOUSLY VOTED that the town amend the zoning by-laws Section III-C (2) by striking out in line one thereof the word "appeal" and substituting in place thereof the words "special permit."

Article 20. To see if the town will vote to amend the zoning by-laws in Section IV-A (1) by striking out everything after the word "requirements" in line two and substituting in place thereof the words "and no more than one building used for a single family or multi-family dwelling shall be built upon any single lot except as hereinafter provided," or act in any manner relating thereto.

The report of the Planning Board was read by the Moderator.

By rising count, "Yes" 206 — "No" 57, it was VOTED that the town amend the zoning by-laws in Section IV-A (1) by striking out everything after the word "requirements" in line two and substituting in place thereof the words "and no more than one building used for a single family or multi-family dwelling shall be built upon any single lot except as hereinafter provided."

Article 21. To see if the town will vote to amend the zoning by-laws in Section IV-A (2) by striking out everything after the word "by-law" in line five thereof and inserting in place thereof the words "provided, however, that any adjoining land owned by the same owner at the time of such adoption, which is usable to bring said lot more closely into conformity with the area or frontage requirements

of this by-law, be used in connection therewith," or act in any manner relating thereto.

The report of the Planning Board was read by the Moderator.

It was UNANIMOUSLY VOTED that the town amend the zoning by-laws in Section IV-A (2) by striking out everything after the word "by-law" in line five thereof and inserting in place thereof the words "provided, however, that any adjoining land owned by the same owner at the time of such adoption, which is usable to bring said lot more closely into conformity with the area or frontage requirements of this by-law, be used in connection therewith."

Article 22. To see if the town will vote to amend the zoning by-laws in Section I-C (12) by striking out the words "or group of buildings on one lot, or act in any manner relating thereto.

The report of the Planning Board was read by the Moderator.

It was UNANIMOUSLY VOTED that the town amend the zoning by-laws in Section I-C (12) by striking out the words "or group of buildings on one lot."

Article 23. To see if the town will vote to amend the zoning by-laws in Section V-C by striking out subsection 3 thereof and designating subsection 4 as subsection 3 and adding the following sentence at the end of subsection 2b, "Each such sign shall not exceed 40 square feet in area," or act in any manner relating thereto.

The report of the Planning Board was read by the Moderator.

It was UNANIMOUSLY VOTED that the town amend the zoning by-laws in Section V-C by striking out subsection 3 thereof and designating subsection 4 as subsection 3 and adding the following sentence at the end of subsection 2b, "Each such sign shall not exceed 40 square feet in area."

Article 24. To see if the town will vote to amend the zoning by-laws in Section V-F,, by striking out the entire first paragraph thereof, by designating the title thereof as "Earth Removal Regulations" and adding at the end thereof the following new subsection:

"6. Existing Operations

A sand or gravel activity in lawful operation on any premises on May 7, 1959, may continue as an exempt operation on said premises and throughout said premises as existing on said date, unless and until abandoned or if operating under a prior permit issued by the Zoning Board of Appeals, until the expiration thereof, subject to the terms and conditions contained therein but shall not, without a new permit, extend beyond the premises embraced by the said prior permit. Discontinuance for more than twelve (12) consecutive months shall be deemed to constitute abandonment," or act in any manner relating thereto.

The report of the Planning Board was read by the Moderator.

It was UNANIMOUSLY VOTED that the town amend the zoning by-laws in Section V-F, by striking out the entire first paragraph thereof, by designating the title thereof as "Earth Removal Regulations" and adding at the end thereof the following new subsection:

"6. Existing Operations

A sand or gravel activity in lawful operation on any premises on May 7, 1959, may continue as an exempt operation on said premises and throughout said premises as existing on said date, unless and until abandoned, or if operating under a prior permit issued by the Zoning Board of Appeals, until the expiration thereof, subject to the terms and conditions contained therein but shall not without a new permit, extend beyond the premises embraced by the said prior permit. Discontinuance for more than twelve (12) consecutive months shall be deemed to constitute abandonment."

Article 25. To see if the town will vote to amend the zoning by-laws in Section V-H (1) by striking out in line one thereof the word "certain" and adding in place thereof the word "all," or act in any manner relating thereto.

The report of the Planning Board was read by the Moderator.

It was UNANIMOUSLY VOTED that the town amend the zoning by-laws in Section V-H (1) by striking out in line one thereof the word "certain" and adding in place thereof the word "all."

Article 26. To see if the town will vote to amend the zoning by-laws in Section V-H (3) by striking out in line two thereof the number "6" and inserting in place thereof the number "17," or act in any manner relating thereto.

The report of the Planning Board was read by the Moderator.

It was UNANIMOUSLY VOTED that the town amend the zoning by-laws in Section V-H (3) by striking out in line two thereof the number "6" and inserting in place thereof the number "17."

Article 27. To see if the town will vote to amend the zoning by-laws by deleting in its entirety Section V-G Flooding and insert in place thereof the following:

SECTION V-G. FLOOD PLAIN DISTRICTS

1. Purpose — The purpose of this section is to promote:
 - a. The health and safety of the occupants of lands subject to seasonal or periodic flooding in the Charles River and Bogastow Brook Flood Plain Districts.
 - b. The preservation of the natural flood control characteristics and the water storage capacity of the Flood Plain Districts.
 - c. The safety and purity of water; control and containment of sewage; safety of gas, electric, fuel, and other utilities from breaking, leaking, shortcircuiting, grounding, igniting, electrocuting, or any other dangers due to flooding.

2. Definition

The Charles River and Bogastow Brook Flood Plain Districts are superimposed over any other district established by this by-law. The Charles River Flood Plain District is defined as all lands along or sloping to the Charles River, including

the portion of Bogastow Brook below Orchard Street Dam, whose elevation is below 125 feet Mean Sea Level based on the Massachusetts Geodetic Datum of 1929 and as shown on the Zoning Map of the Town of Millis. The Bogastow Brook Flood Plain District is defined as all lands along or sloping to the Bogastow Brook as shown on the Zoning Map of the Town of Millis and whose elevations for the various following portions of the district are below the various following elevations in feet Mean Sea Level based on the Massachusetts Geodetic Datum of 1929: from Orchard Street Dam to Middlesex Street Bridge — 130 feet; from Middlesex Street Bridge to Orchard Street Bridge — 135 feet; above Orchard Street Bridge and entire Great Black Swamp area — 140 feet; and upstream recrossing Orchard Street at Country Club at 145 feet to 150 feet at the Holliston town line.

3. Use

- a. Land in the Flood Plain Districts may be used for any purpose otherwise permitted in the underlying district except that:
 - (1) No building, wall, dam, or other structure shall be erected, constructed, altered, enlarged, or otherwise created or moved for any purpose unless a Special Permit from the Board of Appeals is issued.
 - (2) Dumping, filling, excavating, or transferring of any earth material within the District is prohibited unless a Special Permit from the Board of Appeals is issued.
 - (3) No ponds or pools shall be created or other changes in watercourses for swimming, fishing, or other recreational uses, agricultural uses, scenic features or drainage improvements, or any other uses unless a Special Permit from the Board of Appeals is issued.
- b. Proper operation and maintenance of dams and other water control devices are permitted uses under this section. This

includes the temporary alteration of the water level for emergency or maintenance purposes and the removal of any and all flashboards of a privately-owned dam in order to lower the water level.

- c. Municipal use, such as water works, pumping stations, and parks, is permitted under this section.

4. Application for Special Permit

- a. Any person desiring a special permit for any use set out in paragraph 3a. above within any Flood Plain District shall submit an application to the Board of Appeals in accordance with the provisions of Chapter 40A of the Massachusetts General Laws, as amended. The application, in addition to the requirements of Section V-H, shall be accompanied by plans of any construction and of the premises on which it is to be situated. All plans shall show existing and proposed finished ground contours at 2-foot intervals. Contours shall be delineated within 200 feet of the proposed construction.
- b. All such plans shall be certified by a Registered Land Surveyor and a Registered Professional Civil Engineer.
- c. Copies of the application for special permit to the Board of Appeals with accompanying plans shall also be sent to the Building Inspector, Board of Health, and Planning Board for their recommendations to the Board of Appeals.

5. Issuance of Special Permit

- a. The Board of Appeals, after holding a public hearing, shall issue a permit under this section if it finds in addition to the findings required by Section VI-E (2) hereinafter, that the use of the premises will not endanger the health or safety of the occupants or of other land in any Flood Plain District. In deciding applications for a special permit under this section, but without limiting the generality of the foregoing, the Board of Appeals shall assure:

ANNUAL REPORT

- (1) That the basement floor elevation for any structure having sustained living occupancy shall be at least above the Mean Sea Levels defined in Subsection 2 above and that the top of the foundation wall shall be at least 7 feet above these various Mean Sea Levels.
 - (2) That structures be so designed and secured that during flooding:
 - (a) The foundation would not be undermined.
 - (b) The structure will not be floated off, battered off, or swept away.
 - (3) That safe vehicular and pedestrian movement to, over and from the premises is provided on ways having a profile no less than above the Mean Sea Levels defined in Subsection 2 above.
 - (4) That because of the location or elevation of the building, filling of the area, or for other reasons, there will be no danger of pollution to public or on-site water facilities.
 - (5) That the containment of sewage; safety of gas, electric, fuel, and other utilities from breaking, leaking, short-circuiting, grounding, igniting, electrocuting, or any other dangers due to flooding will be adequately protected.
 - (6) That the methods of drainage are adequate.
 - (7) That other land in any Flood Plain District is protected against detrimental or offensive uses of the premises.
- b. If any land included in any Flood Plain District is found by the Board of Appeals not in fact to be subject to seasonal or periodic flooding, the Board of Appeals may grant a Special Permit for the use of such land for any purpose permitted in the underlying district.
- c. No building permit shall be issued until the Board of Health has issued a permit under this section approving the pro-

posed sanitary and storm drainage system or has allowed forty-five (45) days to elapse after receipt of the application.

- d. No occupancy permit shall be issued until the Board of Appeals, the Building Inspector, the Board of Health, and the Planning Board have received a plan as certified in accordance with 4b. above showing the foundation and floor elevations, grading of the premises, elevations of the completed construction, and all elevations of the various elements that make up the sewage disposal system, and that all requirements of all permits are satisfied.
- e. In consideration of any of the items under "Subsection 5 — Issuance of Special Permit," the Board of Health and the Board of Appeals shall consider the minimum groundwater level in the Flood Plain Districts to be 2 feet below the various Mean Sea Levels listed in "Subsection 2 — Definition," unless data indicate a higher groundwater level.

6. Limits of Authority

- a. Nothing contained in this Section V-G shall limit the authority of the Board of Health with respect to premises in any Flood Plain District or limit the applicability of the Millis Building Code to any structure in any Flood Plain District," or act in any manner relating thereto.

The report of the Planning Board was read by the Moderator.

By rising count "Yes" 154 — "No" 51, it was VOTED that the town amend the zoning by-laws by deleting in its entirety Section V-G Flooding and insert in place thereof the following:

SECTION V-G. FLOOD PLAIN DISTRICT

1. Purpose — The purpose of this section is to promote:
 - a. The health and safety of the occupants of lands subject to seasonal or periodic flooding in the Charles River Flood Plain District.

- b. The preservation of the natural flood control characteristics and the water storage capacity of the Flood Plain District.
- c. The safety and purity of water; control and containment of sewage; safety of gas, electric, fuel, and other utilities from breaking, leaking, shortcircuiting, grounding, igniting, electrocuting, or any other dangers due to flooding.

2. Definition

The Charles River Flood Plain District is superimposed over any other district established by this by-law. The Charles River Flood Plain District is defined as all lands along or sloping to the Charles River, including the portion of Bogastow Brook below Orchard Street Dam, whose elevation is below 125 feet Mean Sea Level based on the Massachusetts Geodetic Datum of 1929 and as shown on the Zoning Map of the Town of Millis.

3. Use

- a. Land in the Flood Plain District may be used for any purpose otherwise permitted in the underlying district except that:
 - (1) No building, wall, dam, or other structure shall be erected, constructed, altered, enlarged or otherwise created or moved for any purpose unless a Special Permit from the Board of Appeals is issued.
 - (2) Dumping, filling, excavating, or transferring of any earth material within the District is prohibited unless a Special Permit from the Board of Appeals is issued.
 - (3) No ponds or pools shall be created or other changes in watercourses for swimming, fishing, or other recreational uses, agricultural uses, scenic features or drainage improvements, or any other uses unless a Special Permit from the Board of Appeals is issued.
- b. Proper operation and maintenance of dams and other water control devices are permitted uses under this section. This

includes the temporary alteration of the water level for emergency or maintenance purposes and the removal of any and all flashboards of a privately-owned dam in order to lower the water level.

- c. Municipal use, such as water works, pumping stations, and parks is permitted under this section.

4. Application for Special Permit

- a. Any person desiring a special permit for any use set out in paragraph 3a above within any Flood Plain District shall submit an application to the Board of Appeals in accordance with the provisions of Chapter 40a of the Massachusetts General Laws, as amended. The application, in addition to the requirements of Section V-H, shall be accompanied by plans of any construction and of the premises on which it is to be situated. All plans shall show existing and proposed finished ground contours at 2-foot intervals. Contours shall be delineated within 200 feet of the proposed construction.
- b. All such plans shall be certified by a Registered Land Surveyor and a Registered Professional Civil Engineer.
- c. Copies of the application for special permit to the Board of Appeals with accompanying plans shall also be sent to the Building Inspector, Board of Health, and Planning Board for their recommendations to the Board of Appeals.

5. Issuance of Special Permit

- a. The Board of Appeals, after holding a public hearing shall issue a permit under this section if it finds in addition to the findings required by Section VI-E (2) hereinafter, that the use of the premises will not endanger the health or safety of the occupants or of other land in any Flood Plain District. In deciding applications for a special permit under this section, but without limiting the generality of the foregoing, the Board of Appeals shall assure:

- (1) That the basement floor elevation for any structure having sustained living occupancy shall be at least above the Mean Sea Level defined in Subsection 2 above and that the top of the foundation wall shall be at least 7 feet above this Mean Sea Level.
 - (2) That structures be so designed and secured that during flooding:
 - (a) The foundation would not be undermined.
 - (b) The structure will not be floated off, battered off, or swept away.
 - (3) That safe vehicular and pedestrian movement to, over, and from the premises is provided on ways having a profile no less than above the Mean Sea Level defined in Subsection 2 above.
 - (4) That because of the location or elevation of the building, filling of the area, or for other reasons, there will be no danger of pollution to public or on-site water facilities.
 - (5) That the containment of sewage; safety of gas, electric, fuel, and other utilities from breaking, leaking, short-circuiting, grounding, igniting, electrocuting, or any other dangers due to flooding will be adequately protected.
 - (6) That the methods of drainage are adequate.
 - (7) That other land in any Flood Plain District is protected against detrimental or offensive uses of the premises.
- b. If any land included in any Flood Plain District is found by the Board of Appeals not in fact to be subject to seasonal or periodic flooding, the Board of Appeals may grant a Special Permit for the use of such land for any purpose permitted in the underlying district.

- c. No building permit shall be issued until the Board of Health has issued a permit under this section approving the proposed sanitary and storm drainage system or has allowed forty-five (45) days to elapse after receipt of the application.
 - d. No occupancy permit shall be issued until the Board of Appeals, the Building Inspector, the Board of Health, and the Planning Board have received a plan as certified in accordance with 4b showing the foundation and floor elevations, grading of the premises, elevations of the completed construction, and all elevations of the various elements that make up the sewage disposal system, and that all requirements of all permits are satisfied.
 - e. In consideration of any of the items under "Subsection 5 — Issuance of Special Permit," the Board of Health and the Board of Appeals shall consider the minimum ground water level in the Flood Plain District to be 2 feet below the Mean Sea Level listed in "Subsection 2 — Definition," unless data indicate a higher groundwater level.
6. Limits of Authority
- a. Nothing contained in this Section V-G shall limit the authority of the Board of Health with respect to permits in any Flood Plain District or limit the applicability of the Millis Building Code to any structure in any Flood Plain District.

MOTION made by Mr. Donald M. Kuhn that this meeting be recessed until Monday evening, March 16, 1970, at 7:30 P.M. in this hall.

VOTED to recess this meeting until Monday evening, March 16, 1970, at 7:30 P.M. in this hall.

Meeting recessed at 11:15 P.M.

ARTHUR D. THORNE

Town Clerk

**RECORD OF THE RECESSED ANNUAL TOWN
MEETING HELD IN THE JUNIOR-SENIOR HIGH
SCHOOL AUDITORIUM MILLIS, MASSACHUSETTS,
MONDAY, MARCH 16, 1970**

The Recessed Annual Business Meeting of the Town of Millis, Massachusetts was held Monday evening, March 16, 1970, in the Junior-Senior High School Auditorium and was called to order by the Town Moderator, Philip J. Gavin, Jr., at 7:44 P.M.

The Town Warrant calling the Recessed Annual Business Meeting was posted on March 11, 1970 in ten public places by William F. Carlson, Constable.

The following served as Voting List Inspectors: Alfreda M. Clark, Lorraine Consoletti, Mary M. Germano and Ella Mae Pollard.

The following Tellers were appointed and sworn in by the Moderator: Royden Y. Barrett, Russell Brodeur, Joseph T. Cassidy, Robert J. Healy, Varoujan Karentz and Herbert F. Works.

The Moderator announced that a Resolution, written by J. Francis Sheehan, had been presented to the rostrum and it was read by the Town Clerk, Arthur D. Thorne.

WHEREAS: A distinguished and valuable citizen having served the Town of Millis for over twenty-eight years as a Police Officer, Acting Chief for over four years, always present at Town Meetings as Constable — has been called from our midst —

I move that we stand a moment in silent prayer in respect to the memory of

HENRY J. CASSIDY

called to his reward January 29, 1970. May his soul rest in peace.

The Moderator announced he would first entertain motions for the purpose of reconsideration for the several articles posted on the warrant. The Moderator asked if the person who requested reconsideration would make the motion to reconsider.

MOTION made by Mr. Johannes A. Bloemen for a secret ballot on Article 3, Group I and Group III. By VOICE VOTE the Motion for a secret ballot was LOST.

MOTION made by Mr. Johannes A. Bloemen for reconsideration of Article 3, Group I, Line Item P15-P19. By VOICE VOTE the Motion for reconsideration was LOST.

MOTION made by Mr. Johannes A. Bloemen for reconsideration of Article 3, Group I, Line Item P11-P13. This Motion was not Seconded.

MOTION made by Mr. Johannes A. Bloemen for reconsideration of Article 3, Group I, Line Item P8-P10. This Motion was not Seconded.

MOTION made by Mr. Johannes A. Bloemen for reconsideration of Article 3, Group III, Line Item F-5. This Motion was not Seconded.

No Motion for reconsideration was made on Article 5, Line 54, Police Department Salaries.

MOTION made by Mr. John F. St. Cyr for reconsideration of the action of the town meeting on Monday last for accepting Dismissal of Article 14

By VOICE VOTE the Motion for reconsideration was LOST.

More than seven voters questioned the vote and a standing vote was taken. By rising count, "Yes" 165 — "No" 224, the Motion for reconsideration was LOST.

MOTION made by Mr. Terrance H. Cassidy for reconsideration of Article 27.

After a lengthy discussion, MOTION for Previous Question was made by Mr. George D. Cassidy, Jr. By rising count, "Yes" 369 — "No" 1, it was VOTED to call for the Previous Question.

By rising count, "Yes" 124 — "No" 216, the Motion for reconsideration was LOST.

Article 28. To see if the town will vote to amend Section V-E, Paragraph 1.c of the zoning by-laws of the Town of Millis as currently in effect to read as follows:

- "c. less than 450 sq. ft. per dwelling unit in a multi-family structure containing not more than one bedroom or 720 sq. ft. per dwelling unit in a multi-family structure containing more than one bedroom," or act in any manner relating thereto.

MOTION made by Mr. Everett D. Adams, Finance Committee member, that the town vote to amend Section V-E, paragraph 1c of the zoning by-laws of the Town of Millis as currently in effect to read as follows:

- c. Less than 450 sq. ft. per one room dwelling unit in a multi-family structure; less than 585 sq. ft. per dwelling unit in a multi-family structure containing not more than one bedroom; less than 720 sq. ft. per dwelling unit in a multi-family structure containing more than one bedroom.

The report of the Planning Board was read by the Moderator.

It was UNANIMOUSLY VOTED that the town amend Section V-E, Paragraph 1c of the zoning by-laws of the Town of Millis as currently in effect to read as follows:

- c. Less than 450 sq. ft. per one room dwelling unit in a multi-family structure; less than 585 sq. ft. per dwelling unit in a multi-family structure containing not more than one bedroom; less than 720 sq. ft. per dwelling unit in a multi-family structure containing more than one bedroom.

Article 29. To see if the town will vote to amend the zoning by-laws by adding the following:

"Section IV-B CLUSTER ZONING

1. Any provisions of Section IV-A of this by-law to the contrary notwithstanding, when shown on a plan endorsed by the Planning

Board "approved for cluster zoning." Lots of less than the minimum areas or widths specified in Section IV-A may be laid out, and dwellings may be erected on such lots, but only in conformance with conditions set forth herein.

2. Such endorsement by the Planning Board shall be given only when and if the plan meets the following requirements and conditions:
 - a. The total area of the tract covered by the plan shall be not less than 20 acres.
 - b. The tract is located in a district where the normally permitted minimum lot area is 25,000 square feet or more.
 - c. The minimum permitted lot size shall be not less than 15,000 square feet in a 25,000 square foot district, and not less than 20,000 square feet in the 60,000 square foot district.
 - d. The minimum average width of lots shall be not less than 75 feet in a 25,000 square foot district and not less than 125 feet in the 60,000 square foot district.
 - e. The total number of lots for building purposes within the tract shown on the plan shall be not more than the number of times that the total area of the tract, in square feet, exclusive of roads, is wholly divisible by the minimum lot size, in square feet, normally required for the district in which the tract is located.
 - f. The lots for building purposes shall be grouped in a cluster or clusters, and within each cluster the lots shall be contiguous.
 - g. All the remaining land in the tract, not contained in the lots or within the road rights-of-way, shall be contiguous, or if not contiguous, in parcels of not less than one acre each in area, and of such size, shape and condition as to be usable for recreation. The total area of such remaining land shall be not less than one acre for each 10 building lots within the tract.
 - h. All such land shall be permanently dedicated, by covenant or comparable legal instrument or instruments, to the community use of the owners of the lots within the development tract, for

recreational purposes only, and shall not be further subdivided or used for building purposes, excepting structures incidental to such recreational use. (This shall not preclude such open area being given to or taken by the town, should town meeting at some future date so vote, but in such case, the town shall not use any such area for any purpose other than recreational or educational.)

- i. All dwellings and accessory buildings erected under the provisions of this section shall conform to all other provisions of this by-law, which shall not be varied except by the Board of Appeals, in the usual manner."

MOTION made by Mr. Everett D. Adams that Article 29 be Dismissed.

The report of the Planning Board was read by the Moderator.

VOTED to Dismiss Article 29..

Article 30. To see if the town will vote to amend the zoning by-laws by adding the following:

"Section V-H ARCHITECTURAL REVIEW BOARD

1. There shall be an Architectural Review Board, whose function shall be to consider and pass upon the appropriateness of the exterior architectural features of buildings and structures hereafter designed, arranged, constructed and/or enlarged, extended or structurally altered within the commercial or industrial districts, insofar as such architectural features are subject to public view from a public street or way.
2. The Architectural Review Board shall consist of the members of the Planning Board. It shall meet as necessary, and may hold such hearings as it may deem advisable. It shall keep a permanent record of all decisions made on applications considered by it.
3. The board shall consider the general exterior design, arrangements and appearance of the proposed building, structure, or enlargement, extension or external structural alteration thereof. It

shall issue a Certificate of Appropriateness if such features are of appropriate exterior design and appearance as to enhance and improve the general appearance of the Commercial and Industrial areas, keeping in mind that the general character of the town is residential in nature.

4. The board shall not consider, nor be required to issue Certificates of Appropriateness for minor details or design, interior arrangements, ordinary repairs to and maintenance of existing buildings or structures, or features not subject to public view from a public street or way. The board shall not make any recommendations or requirements except for the purpose of preventing structural developments obviously incongruous to the area and future development of the town.
5. The board shall accept written application for a Certificate of Appropriateness from an applicant when such application is filed through the Building Inspector's office. Such applications shall be transmitted forthwith to the board. If the board questions the advisability of issuing a Certificate of Appropriateness, the applicant shall be notified and heard before final action is taken.
6. The board may require from the applicant such plans, elevations, and other information as may be sufficient to determine the appropriateness of the proposed construction, enlargement, extension or external structural alteration. A copy of such plans shall be retained by the board for its files.
7. A majority vote shall be required for approval of an application.
8. When the board so approves an application, it shall issue forthwith a Certificate of Appropriateness, of which one copy shall be sent to the applicant, one copy to the Building Inspector and one copy retained by the board for its files.
9. If an application is disapproved, the board shall forthwith so notify the applicant and the Building Inspector in writing, stating the reasons for such disapproval. A copy of such notification shall be retained by the board for its files.

10. If the board shall fail to take final action on any application or to notify the applicant in writing of its decision within thirty (30) days after the date of filing of such application, or within such further time as the applicant may allow in writing, the application shall be deemed to have been approved and a Certificate of Appropriateness shall forthwith be issued on demand.
11. The board may adopt, and from time to time amend, rules not inconsistent with the provisions of this by-law and other laws or by-laws for the purpose of conducting its business. Such rules shall be furnished the office of the Town Clerk and available on request.
12. Nothing in this section shall be construed as being applicable to residential use of land in the commercial and industrial districts."

MOTION made by Mr. Everett D. Adams that Article 30 be Dismissed.

The report of the Planning Board was read by the Moderator.

VOTED to Dismiss Article 30.

Article 31. To see if the town will vote as follows: The Selectmen shall review all property taken for taxes and now owned by the town, and they shall set a reasonable price on each of said parcels, and sell all such parcels at public auction within 120 days of the approval of this article. Parcels deemed necessary for town use or recreation or other valid reasons shall be excepted provided the Selectmen identify such parcels and the reason for their exception. All such excepted parcels shall be identified by reference to the Assessors Maps of the town and the reason for their exception shall be listed and copies of such list shall be kept on file with the Town Clerk.

MOTION made by Mr. Everett D. Adams that Article 31 be Dismissed.

VOTED to Dismiss Article 31.

Article 32. To see if the town will vote to instruct Town Counsel to determine the last known owner of all parcels of land carried by the Assessor as unknown owners so that said parcels shall be taxable.

MOTION made by Mr. Everett D. Adams that Article 32 be Dismissed.

VOTED to Dismiss Article 32.

Article 33. To see if the town will vote to accept the 1969 Cemetery Trust Funds from the individual families or estates contained herein or act in any manner relating thereto.

Huna Rosenfeld	\$500.00
Arthur P. Adams	200.00
Howard Ingraham	12.50

VOTED that the town accept the 1969 Cemetery Trust Funds from the individual families or estates contained herein.

Huna Rosenfeld	\$500.00
Arthur P. Adams	200.00
Howard Ingraham	12.50

Article 34. To see if the town will vote to appoint a committee of five, to consist of the Chairman of the Board of Selectmen, the Moderator, the Town Clerk, the Town Counsel and the Chairman of the Finance Committee, for the purpose of revising and altering the by-laws of the town and to bring in their recommendations in regard thereto at the next regular or special town meeting, or act in any manner relating thereto.

VOTED that the town appoint a committee of five, to consist of the Chairman of the Board of Selectmen, the Moderator, the Town Clerk, the Town Counsel and the Chairman of the Finance Committee, for the purpose of revising and altering the by-laws of the town and to bring in their recommendations in regard thereto at the next regular or special town meeting.

Article 35. To see if the town will vote to accept \$12,142.29 as apportioned to the Town of Millis in accordance with Chapter 768 of the Acts of 1969, Section 5. Said amount to be set up as separate account for construction of Dover Road, or act in any manner relating thereto.

VOTED that the town accept \$12,142.29 as apportioned to the Town of Millis in accordance with Chapter 768 of the Acts of 1969, Section 5. Said amount to be set up as a separate account for Highway purposes.

Article 36. To see if the town will authorize the Board of Selectmen to enter into a contract with the Department of Public Works and the County Commissioners for the construction and maintenance of public highways for the ensuing year, or act in any manner relating thereto.

VOTED that the town authorize the Board of Selectmen to enter into a contract with the Department of Public Works and the County Commissioners for the construction and maintenance of public highways for the ensuing year.

Article 37. To see if the town will vote to transfer the sum of \$3,612.54 from the Road Machinery Fund to the Road Machinery Account, to be used for road machinery purposes, or act in any manner relating thereto.

VOTED that the town transfer the sum of \$3,612.54 from the Road Machinery Fund to the Road Machinery Account, to be used for road machinery purposes.

Article 38. To see if the town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, the sum of \$16,000.00 for Chapter 90 highway construction, or act in any manner relating thereto.

VOTED that the town appropriate the sum of \$16,010.00 for Chapter 90 construction under the General Laws, to be raised as follows: \$4,010.00 the town's share be raised by taxation and the Treasurer be authorized to borrow \$12,000.00 for the state and county's share of this work.

Article 39. To see if the town will vote to accept \$4,047.43 as apportioned to the Town of Millis in accordance with Chapter 768 of the Acts of 1969, Section 4. Said amount to be set up as a separate account for highway projects subject to the prior approval of the Mas-

sachusetts Department of Public Works, or act in any manner relating thereto.

VOTED that the town accept \$4,047.43 as apportioned to the Town of Millis in accordance with Chapter 768 of the Acts of 1969, Section 4. Said amount to be set up as a separate account for highway projects subject to the prior approval of the Massachusetts Department of Public Works.

Article 40. To see if the town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, the sum of \$18,710.00 for Chapter 81 Highways, or act in any manner relating thereto.

VOTED that the town appropriate the sum of \$18,710.00 and raise by taxation the sum of \$6,610.00 to meet the town's share of the cost of Chapter 81 Highways and that in addition the Treasurer be authorized to borrow the sum of \$12,100.00 to meet the state's share of the cost of work.

Article 41. To see if the town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury the sum of \$9,010.00 for Chapter 90 Highway Maintenance, or act in any manner relating thereto.

VOTED that the town appropriate the sum of \$9,010.00 and raise by taxation the sum of \$3,010.00 for the town's share of Chapter 90 Highway Maintenance and that in addition the Treasurer be authorized to borrow the sum of \$6,000.00 to meet the state and county's share of the cost of work.

Article 42. To see if the town will vote to appropriate a sum of money for the purchase of a used bucket loader on tracks to be used at the disposal area, or act in any manner relating thereto.

VOTED that the town appropriate and transfer from available funds the sum of \$6,000.00 for the purchase of a used bucket loader on tracks.

Article 43. To see if the town will vote to appropriate a sum of money for the purchase of a 3-5 yard dump truck for the Highway

Department, and to have the allowance of the old 1959 International truck applied against the cost of the new truck, and determine whether the money shall be provided for by taxation, appropriation from available funds in the treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

VOTED that the town appropriate and transfer from available funds the sum of \$6,400.00 for the purchase of a 3-5 yard dump truck for the Highway Department, and to have the allowance of the old 1959 International truck applied against the cost of the new truck.

Article 44. To see if the town will vote to appropriate a sum of money for the purchase of a 38,000 GVW four wheel drive truck, equipped with a wing plow and dump body, for the Highway Department and to have the allowance of the old 1946 FWD truck applied against the cost of the new truck and determine whether the money shall be provided for by taxation, appropriation from available funds in the treasury, or by borrowing under the provisions of Chapter 44 of the General Laws, or act in any manner relating thereto.

VOTED that the town appropriate and transfer from available funds the sum of \$23,500.00 for the purchase of a 38,000 GVW four wheel drive truck, equipped with a wing plow and dump body, for the Highway Department and to have the allowance of the old 1946 FWD truck applied against the cost of the new truck.

Article 45. To see if the town will vote to appropriate a sum of money for the rental purchase of a new power sweeper for the Highway Department or act in any manner relating thereto.

VOTED that the town appropriate and transfer from available funds the sum of \$11,500.00 for the purchase of a new power sweeper for the Highway Department.

Article 46. To see if the town will vote to raise by taxation and appropriate or transfer from available funds in the treasury a sum of money for flashing warning beacons on Orchard Street as authorized by Mass. Department of Public Works Permit No. B-69, or act in any manner relating thereto.

VOTED that the town appropriate and transfer from available funds the sum of \$1,530.00 for the purchase of flashing warning beacons on Orchard Street as authorized by Mass. Department of Public Works Permit No. B-69.

Article 47. To see if the town will vote to transfer money of the George-Barden Fund to Evening Practical Arts Account, or act in any manner relating thereto.

VOTED that the town transfer the money in the George-Barden Fund to Evening Practical Arts Account.

Article 48. To see if the town will vote to purchase a new school bus and have the allowance on the 1964 64-passenger bus applied against the cost of the new bus, appropriate money for same, or act in any manner relating thereto.

VOTED that the town appropriate and raise by taxation the sum of \$7,200.00 for the purchase of a new school bus and have the allowance on the 1964 64-passenger bus applied against the cost of the new bus.

Article 49. To see if the town will vote to purchase and have installed twenty-one new windows for the Memorial School, appropriate money for same, or act in any manner relating thereto.

VOTED that the town appropriate and transfer from available funds the sum of \$4,300.00 for the purchase and installation of twenty-one new windows for the Memorial School.

Article 50. To see if the town will vote to appropriate a sum of money to establish a recreation program for physically and mentally handicapped children, and determine whether the money shall be provided for by taxation, or by appropriation from available funds in the treasury, or act in any manner relating thereto.

VOTED that the town appropriate and raise by taxation \$500.00 to establish a recreation program for physically and mentally handicapped children which is to be administered by the School Department.

Article 51. To see whether the town will vote to purchase radar and communications equipment for the Police Department, appropriate money for same and to accept the sum of \$2,665.00 from the federal government as reimbursement for the purchase of same pursuant to the provisions of Section 402 (C) of Public Law 89-564, or act in any manner relating thereto.

MOTION made by Mr. Charles Levine, Finance Committee member, that the town appropriate and transfer from available funds the sum of \$2,800.00 for the purchase of radar and communications equipment for the Police Department and to accept the sum of \$2,800.00 from the federal government as the reimbursement for the purchase of same pursuant to the provisions of Section 402 (C) of Public Law 89-564.

AMENDED MOTION made by Mr. Joseph L. Travers, Jr., Chairman of the Finance Committee, that said reimbursement be returned to available funds.

By VOICE VOTE the AMENDED MOTION Carried.

VOTED that the town appropriate and transfer from available funds the sum of \$2,800.00 for the purchase of radar and communications equipment for the Police Department and to accept the sum of \$2,800.00 from the federal government as the reimbursement for the purchase of same pursuant to the provisions of Section 402 (C) of Public Law 89-564. Said reimbursement to be returned to available funds.

Article 52. To see if the town will vote to purchase a new police cruiser, appropriate money or transfer from available funds in the treasury for same, or act in any manner relating thereto.

VOTED that the town appropriate and raise by taxation the sum of \$3,100.00 for the purchase of a new cruiser for the Police Department.

MOTION made by Mr. Donald M. Kuhn that this meeting be recessed until tomorrow night at 7:30 P.M. in this hall.

AMENDED MOTION made by Mr. Joseph T. Cassidy that this meeting be recessed until Monday, March 23, 1970, at 7:30 P.M. in this hall.

VOTED that this meeting be recessed until Monday, March 23, 1970, at 7:30 P.M. in this hall.

Meeting recessed at 11:05 P.M.

ARTHUR D. THORNE

Town Clerk

**RECORD OF THE RECESSED ANNUAL TOWN
MEETING HELD IN THE JUNIOR-SENIOR HIGH
SCHOOL AUDITORIUM MILLIS, MASSACHUSETTS,**

MONDAY, MARCH 23, 1970

The Recessed Annual Business Meeting of the Town of Millis, Massachusetts was held Monday evening, March 23, 1970, in the Junior-Senior High School Auditorium and was called to order by the Town Moderator, Philip J. Gavin, Jr., at 7:45 P.M.

The Town Warrant calling the Recessed Annual Business Meeting was posted on March 18, 1970 in ten public places by Francis X. Spinoza, Constable.

The following served as Voting List Inspectors: Alfreda M. Clark, Lorraine Consoletti, Mary M. Germano and Ella Mae Pollard.

The following Tellers were appointed and sworn in by the Moderator: Royden Y. Barrett, Russell Brodeur, Joseph T. Cassidy, Robert J. Healy, Varoujan Karentz and Herbert F. Works.

The Moderator announced that two articles have been submitted for reconsideration. He asked if the person who requested reconsideration would make the motion to reconsider.

MOTION made by Mr. Henry J. Lewandowski for reconsideration of Article 44.

By VOICE VOTE the Motion for reconsideration was LOST.

MOTION made by Henry J. Lewandowski for reconsideration of Article 45.

By VOICE VOTE the Motion for reconsideration was LOST.

Article 53. To see if the town will vote to authorize the establishment of the Industrial Development Financing Authority of the Town of Millis. Said authority to be established in accordance with Chapter 772 of the Acts of 1967, Commonwealth of Massachusetts, entitled "An Act Providing for Further Industrial Development of Cities and Towns," or act in any manner relating thereto.

VOTED that the town declare that an INDUSTRIAL DEVELOPMENT FINANCING AUTHORITY is needed in the town, and that security against future unemployment and lack of business opportunity is required in the Town of Millis, and that unemployment or the threat thereof can be alleviated or that security against future unemployment and lack of business opportunity can be provided by attracting new industries to the Town of Millis or substantially expanding industry existing in the Town of Millis through an Industrial Development Project or projects financed under Chapter 772 of the Acts of 1967.

The Moderator announced he has changed the order of articles and Article 55 will be acted on at this time.

Article 55. To see if the town will petition the General Court to enact legislation to extend an eight inch cast iron cement lined water main in Main Street a distance of 1600 feet, partially in Millis and partially in Medway, for the purpose of tying in the Town of Medway water system for emergency, or act in any manner relating thereto.

VOTED that the town petition the General Court for an act of legislation to authorize the extension of an eight inch cast iron cement lined water main in Main Street a distance of 1600 feet, partially in Millis and partially in Medway for the purpose of tying into the Town of Medway water system for emergency use.

Article 54. To see if the town will vote to extend an eight inch cast iron cement lined water main in Main Street a distance of 1600 feet, partially in Millis and partially in Medway, for the purpose of tying in to the Town of Medway water system for emergency use, and to determine whether the money shall be provided for by taxation, by borrowing, or by appropriation from available funds in the treasury, or act in any manner relating thereto.

MOTION made that the town rescind its vote on Article 30 of the town warrant of 1968.

UNANIMOUSLY VOTED to rescind the vote of Article 30 of the town warrant of 1968.

By rising count, "Yes" 239 — "No" 2, it was VOTED that the town authorize the extension of an eight inch cast iron cement lined water main in Main Street for a distance of 1600 feet, partially in Millis and partially in Medway, for the purpose of trying into the Town of Medway water system for emergency use and that the Millis abutters shall be assessed \$2.50 per foot and that the town appropriate the sum of \$14,080.00 and transfer \$2,080.00 from the Water Available Surplus Account and that the Treasurer, with the approval of the Selectmen, be authorized to borrow the sum of \$12,000.00 for a period of not more than ten years.

Article 56. To see if the town will extend a ten inch cast iron cement lined water main a distance of approximately 1400 feet in Farm Street to Village Street and thence along Village Street a distance of approximately 300 feet to connect to an existing 6 inch water main for the purpose of eliminating a dead end, and to determine whether the money shall be provided for by taxation, by borrowing or by

appropriation from available funds in the treasury, or act in any manner relating thereto.

By rising count, "Yes" 240 — "No" 2, it was VOTED that the town authorize the extension of a ten inch cast iron cement lined water main a distance of approximately 1400 feet in Farm Street to Village Street and thence along Village Street a distance of approximately 300 feet to connect to an existing 6 inch water main for the purpose of eliminating a dead end, and that the town appropriate the sum of \$18,700.00 and transfer \$1,700.00 from the water Available Surplus Account and that the Treasurer, with the approval of the Selectmen, be authorized to borrow \$17,000.00 for a period of not more than ten years.

Article 57. To see if the town will vote a sum of money to meter the Town of Millis, and that the Treasurer, with the approval of the Selectmen, be authorized to borrow the sum of money and issue notes of the town therefore payable in accordance with Chapter 44 of the General Laws, so that the whole shall be paid in not more than ten years, or act in any manner relating thereto.

MOTION made by Mr. Charles Levine, Finance Committee member, that the town appropriate the sum of \$49,100.00 for the installation of water meters in the Town of Millis. The money for this article to be provided by a transfer of \$4,100.00 from the Water Available Surplus Account and the Treasurer, with the approval of the Selectmen, be authorized to borrow the sum of \$45,000.00 and issue notes therefore payable in accordance with Chapter 44 of the General Laws for a period of ten years.

After a lengthy discussion, MOTION for Previous Question was made by Mr. John F. O'Rourke. It was UNANIMOUSLY VOTED to call for the Previous Question.

By rising count, "Yes" 73 — "No" 189, the MOTION was LOST.

Article 58. To see if the town will vote to appropriate a sum of money for engineering and surveying services for the purpose of locating boundaries for a proposed town well located at Clark's Pit

and determine whether the money shall be provided for by appropriation from available funds in the treasury, or act in any manner relating thereto.

VOTED that the town appropriate and transfer from the Water Available Surplus Account the sum of \$2,500.00 for engineering and surveying services for the purpose of locating boundaries for the proposed town well located at Clark's Pit off Village Street.

Article 59. To see if the town will vote to appropriate a sum of money for the purpose of renovating the roof on the town Water Department garage, and to determine whether the money shall be provided for by appropriation from available funds in the treasury, or act in any manner relating thereto.

VOTED that the town appropriate and transfer from Water Available Surplus Account the sum of \$1,600.00 for the purpose of renovating the roof on the town Water Department garage.

Article 60. To see if the town will vote to appropriate a sum of money to purchase a snow plow for the Water Department truck, and to determine whether the money shall be provided for by appropriation from available funds in the treasury, or act in any manner relating thereto.

VOTED that the town appropriate and transfer from Water Available Surplus Account the sum of \$700.00 to purchase a snow plow for the Water Department truck.

Article 61. To see if the Town of Millis will vote to extend a 10 inch cast iron water main from Pleasant and Village Streets at Rockville Corner west on Village Street to residence of and/or 389 Village Street, a distance of 4500 feet and to determine whether the money shall be provided for by taxation, by borrowing or by appropriation from available funds in the treasury or act in any manner relating thereto. And that the sum of \$49,500.00 be appropriated for laying a 10 inch water main cast iron cement line from the corner of Pleasant and Village Streets at Rockville Corner, west on Village Street for a distance of 4500 feet to #389 Village Street.

MOTION made by Mr. Clifford D. Thatcher, Finance Committee member, that Article 61 be Dismissed.

BY VOICE VOTE the Motion for Dismissal was LOST.

MOTION made by Mr. George D. Cassidy, Jr., that the town vote to extend a 10 inch cast iron water main from Pleasant and Village Streets at Rockville Corner west on Village Street to the residence of 389 Village Street, a distance of 4500 feet and to meet said appropriation that the sum of \$4,100.00 be transferred from Water Available Surplus Account and that the Treasurer, with the approval of the selectmen, be authorized to borrow the sum of \$45,400.00 and to issue a note or notes therefore in accordance with the provisions of Chapter 44 of the General Laws for a period of not more than fifteen years.

By rising count, "Yes" 128 — "No" 106, the Motion was LOST.

MOTION made by Mr. Francis J. LeSage for reconsideration of Article 61.

BY VOICE VOTE the Motion for reconsideration was LOST.

Article 62. To see if the town will vote to provide ambulance services to residents of the Town of Millis free of charge, and to allow the Board of Selectmen to establish schedules of payments to be made by residents of other towns to whom the said ambulance service is provided, or act in any manner relating thereto.

VOTED that the Town of Millis provide ambulance services to residents of the Town of Millis free of charge, and to allow the Board of Selectmen to establish schedules of payments to be made by residents of other towns to whom said ambulance service is provided.

Article 63. To see if the town will raise and appropriate a sum of money to be expended by the Public Works Building Committee appointed under Article 25 of the annual town meeting held March 10, 1969, to be used for the acquisition of working drawings and specifications and for the construction of a Public Works Building on

town-owned land on Water Street, or act in any manner relating thereto.

By rising count, "Yes" 173 — "No" 52, it was VOTED that the town appropriate the sum of \$125,000.00 to be expended by the Public Works Building Committee for the construction of a Public Works Building to be located on town-owned land on Water Street, the money to be raised as follows: \$15,000.00 to be transferred from available funds, and that the Treasurer, with the approval of the Selectmen, be authorized to borrow \$110,000.00 for ten years.

Article 64. To see if the town will vote to authorize the Moderator to continue the Town Office Building Investigating Committee and appropriate a sum of money for same, or act in any manner relating thereto.

VOTED that the town authorize the Moderator to continue the Town Office Investigating Committee.

Article 65. To see if the town will vote to raise and appropriate a sum of money for the purchase of a fire truck, determine whether the money shall be provided by taxation, by borrowing or by appropriation from available funds in the treasury, or act in any manner relating thereto.

VOTED that the town appropriate the sum of \$23,500.00 and transfer \$23,500.00 from available funds for the purchase of a fire truck.

Article 66. To see whether the town will vote to amend the by-laws of the Town of Millis by adding under Police Regulations, Article VIII, the following new section:

"Section 26. No individual or organization shall solicit homes, businesses or industries in the town for any purpose whatsoever without first having supplied to the Millis Police Department in writing, the name and address of any individual or organization making such solicitation and the names and addresses of all individuals making solicitations for the organization, the purpose for which the solicitation is to be made, the dates and times within which the solicitations will be made and the area of the

town within which the said solicitations will be made," or act in any manner relating thereto.

VOTED that the town amend the by-laws of the Town of Millis by adding under Police Regulations, Article VIII, the following new section:

Section 26. No individual or organization shall solicit homes, businesses or industries in the town for any purpose whatsoever without first having supplied to the Millis Police Department in writing, the name and address of any individual or organization making such solicitation and the names and addresses of all individuals making solicitations for the organization, the purpose for which the solicitation is to be made, the dates and times within which the solicitations will be made and the area of the town within the said solicitations will be made.

The Moderator asked that Article 79 be taken up at this time.

Article 79. To see if the town vote to authorize the Board of Selectmen to petition the General Court to enact legislation allowing the Town of Millis to withdraw from the Massachusetts Bay Transportation Authority, or act in any manner relating thereto.

It was UNANIMOUSLY VOTED that the town authorize the Board of Selectmen to petition the General Court to enact legislation allowing the Town of Millis to withdraw from the Massachusetts Bay Transportation Authority.

Article 67. To see if the town will vote to amend the by-laws by adding thereto the following:

"Dog Control

Section 1. License fees, exemption for seeing-eye dogs, refund of fees.

The annual fee for every dog license, except as otherwise provided by law, shall be three dollars for a male dog and six dollars for a female dog unless a certificate of a registered veterinarian who performed the operation that such female dog has been sprayed and has

thereby been deprived of the power of propagation has been shown to the town clerk, in which case the fee shall be three dollars. A certified copy of such certificate on file in the office of any city or town clerk within the Commonwealth may be accepted as evidence that such operation has been performed. If the town clerk is satisfied that the certificate of the veterination who sprayed the dog cannot be obtained, he may accept in lieu thereof a statement signed under the penalties of perjury by a veterinarian registered and practicing in the Commonwealth describing the dog and stating that he has examined such dog and that it appears to have been, and in his opinion has been, sprayed and thereby deprived of the power of propagation. No fee shall be charged for a license for a dog specially trained to lead or serve a blind person; provided, that the division of the blind certifies that such dog is so trained and actually in the services of a blind person. No license fee or part thereof shall be refunded because of the subsequent death, loss, spaying or removal from the Commonwealth or other disposal of the dog, nor shall any license fee or part thereof paid by mistake be paid or recovered back after it has been paid over to the county under Chapter 140, section 147 of the General Laws.

Section 2. Disturbing the peace.

No person shall own or keep in the town any dog which by biting, excessive barking, howling or in any other manner disturbs the quiet of the public.

Section 3. Complaint of nuisance.

If any person shall make a complaint in writing to the dog officer that any dog owned or harbored within his jurisdiction is a nuisance by reason of vicious disposition or excessive barking or other disturbance, the dog officer shall investigate such complaint, which may include an examination under oath of the complainant, and submit a written report to the selectmen of his findings and recommendations, together with the written complaint. Upon receipt of such report and examination of the complainant under oath, the selectmen may make such order concerning the restraint, muzzling or disposal of such dog as may be deemed necessary. The dog officer, after investigation, may issue an

interim order that such dog be restrained or muzzled for a period not to exceed fourteen days to enable the selectmen to issue their order following receipt of the report of the dog officer. If the selectmen fail to act during the period the interim order automatically is vacated.

Section 4. The dog officer may restrain or muzzle, or issue an interim order to restrain or muzzle, for a period not to exceed fourteen days, any dog for any of the following reasons:

- a. For having bitten any person.
- b. If found at large or unmuzzled, as the case may be, while an order for the restraint of such dog is in effect.
- c. If found in a school, schoolyard or public recreational area.
- d. For having killed or maimed or otherwise damaged any other domesticated animal.
- e. For chasing any vehicle upon any public way or way open to public travel in the town.
- f. for any violation of Section 2.

Upon restraining or muzzling, or issuing an interim order to restrain or muzzle, the dog officer shall submit in writing to the selectmen a report of his action and the reasons therefore. Upon receipt of such report the selectmen may make such order concerning the restraint, muzzling or disposal of such dog as may be deemed necessary. If the selectmen fail to act upon the report during the period the dog is restrained or muzzled, upon expiration of the period, the interim order automatically is vacated.

Section 5. Appeal of restraint or muzzling.

The owner or keeper of any dog that has been ordered to be restrained or muzzled or has been restrained under this article, may file a request in writing with the dog officer that the restraining order be vacated, or that the dog be released, and after investigation by the dog officer, such officer may vacate such order or release such dog, if

the order or restraint was imposed by him. If the order was imposed by the selectmen, the dog officer shall submit a written report of his investigation, with his recommendations, to the selectmen, who may vacate such order. Any person aggrieved by any order made by the board of selectmen pursuant to this by-law may appeal to the district court under the provisions of Section 157 of Chapter 140 of the General Laws.

Section 6.

Any owner or keeper of a dog who shall fail to comply with any order of the dog officer or selectmen issued pursuant to this article shall be punishable by a fine of twenty dollars," or act in any manner relating thereto.

VOTED that the town amend the by-laws by adding thereto "Dog Control" as printed in Article 67 of the Town Warrant for the Annual Town Meeting dated March 9, 1970.

Article 68. To see if the town will raise by taxation and appropriate, or transfer from available funds in the treasury, the sum of \$1,801.97 to pay the following unpaid bills:

School Department — vocational education			
Town of Norwood, Mass. — tuition	\$ 408.00

Article 69. To see if the town will vote to appropriate a sum of money to be expended under the direction of the Board of Selectmen to have a professional appraisal with related services of land

located off Island Road now owned by Eden Developers Co. Inc. containing approximately 31.8 acres and described in a plan dated January 31, 1962 by Bowie Engineering Co., or act in any manner relating thereto.

VOTED that the town appropriate and transfer from available funds \$2,000.00 to be expended under the direction of the Board of Selectmen to have a professional appraisal with related services of land located off Island Road now owned by Eden Developers Co., Inc., containing approximately 31.8 acres and described in a plan dated January 31, 1962 by Bowie Engineering Co., for the purpose of defense of an action against the Town of Millis by Eden Developers, Inc., in the Norfolk County Superior Court.

Article 70. To see if the town will vote to accept as a public way the portion of Rosenfeld Road with easements as shown on a street acceptance plan dated January 31, 1970, by Bowie Engineering Co., or act in any manner relating thereto.

VOTED that the town accept as a public way that portion of Rosenfeld Road with easements as shown on a street acceptance plan dated January 31, 1970, by Bowie Engineering Co.

Article 71. To see if the town will vote to have the Moderator appoint a committee which shall report to the next annual or special town meeting on whatever matter is assigned to it at this meeting, or on whatever matter or matters may be presented to it by town officials through the Board of Selectmen prior to the next annual or special town meeting, or act in any manner relating thereto.

VOTED that the town have the Moderator appoint committees which shall report to the next annual or special town meeting on whatever matter is assigned to it at this meeting, or on whatever matter or matters may be presented to them by town officials through the Board of Selectmen prior to the next annual or special town meeting.

Article 72. To see if the town will vote to authorize the Selectmen to appoint a committee of three members to review surface drain-

age problems within the Town of Millis and report its recommendations to the Board of Selectmen, or act in any manner relating thereto.

VOTED that the town authorize the Selectmen to appoint a committee of three members to review surface drainage problems within the Town of Millis and report its recommendations to the Board of Selectmen.

Article 73. To see if the town will vote to authorize the Assessors to enter into a contract for an expert appraisal of the taxable property within the town as provided under Section 4, of Chapter 40 of the General Laws, as amended by Chapter 63 of the Acts of 1966, and to vote for the payment of the charges incurred under these contracts by taxation, by transfer from available funds or by borrowing as provided under the provisions of Section 7, of Chapter 44 of the General Laws, as amended by Chapter 63 of the Acts of 1966, or act in any manner relating thereto.

It was UNANIMOUSLY VOTED that the town authorize the Assessors to enter into a contract for an expert appraisal of the taxable property within the town as provided under Section 4, of Chapter 40 of the General Laws, as amended by Chapter 63 of the Acts of 1966 and that the sum of \$25,000.00 be appropriated ;\$12,500.00 to be transferred from available funds and that the Treasurer, with the approval of the Selectmen, be authorized to borrow \$12,500.00 for two years.

Article 74. To see if the town will vote to appropriate a sum of money to the Conservation Fund, or act in any manner relating thereto.

VOTED that the town appropriate and transfer from available funds the sum of \$2,000.00 to the Conservation Fund.

Article 75. To see if the town will vote to accept the provisions of Section 8D, Chapter 40 of the General Laws establishing an Historical Commission for the Town of Millis, or act in any manner relating thereto.

VOTED that the town accept the provisions of Section 8D, Chapter 40 of the General Laws establishing a Historical Commission for the Town of Millis.

Article 76. To see if the town will vote to authorize the Moderator to appoint a five-man committee, one member of which shall be a Park Commissioner, to be known as the Park Land Investigating Committee, and to appropriate fifty dollars for the work of this committee, or act in any manner relating thereto.

VOTED that the town authorize the Moderator to appoint a five-man committee, one member of which shall be a Park Commissioner, to be known as the Park Land Investigating Committee.

Article 77. To see if the town will vote to appropriate the sum of \$1,000.00 for preliminary planning for the construction of an indoor town swimming pool to be located in the town park and for the Moderator to appoint a swimming pool committee to carry out such planning, or act in any manner relating thereto.

MOTION made by Mr. Charles W. Batchelder that Article 77 be Dismissed.

By VOICE VOTE the Motion for Dismissal was LOST.

MOTION made by Mr. William A. Vellante that the town vote to establish a committee to study the feasibility of the construction of an indoor swimming pool either in the town park or an area suitably located for maximum utilization, and that the Moderator appoint a swimming pool committee which will present its findings at the next annual or special town meeting.

AMENDED MOTION made by Mr. Joseph T. Cassidy that it be an indoor or outdoor swimming pool. By VOICE VOTE the Amended Motion CARRIED.

VOTED that the town establish a committee to study the feasibility of the construction of an indoor or outdoor swimming pool either in the town park or an area suitably located for maximum utilization, and that the Moderator appoint a swimming pool com-

mittee which will present its findings at the next annual or special town meeting.

Article 78. To see if the town will vote to authorize the Board of Selectmen to petition the legislature for authority to sell or transfer that piece of property on Union Street recorded in the Norfolk Registry of Deeds as No. 371 dated 1930, Book 1889, Page 601, by E. Worthington, engineer, such property containing 9502 square feet more or less and known as Lot A on said plan, or act in any manner relating thereto.

UNANIMOUSLY VOTED that the town authorize the Board of Selectmen to petition the legislature for authority to sell or transfer that piece of property on Union Street recorded in the Norfolk County Registry of Deeds as No. 371 dated 1930, Book 1889, Page 601 by E. Worthington, engineer, such property containing 9502 square feet more or less and known as Lot A on said plan.

Article 80. To see if the town will vote to authorize the Board of Selectmen to bring whatever action is necessary in any court of the Commonwealth of Massachusetts to seek a determination as to the constitutionality of the assessment levied on said Town of Millis by the Massachusetts Bay Transportation Authority in light of the fact that said town receives no service and no benefit from said authority, or act in any manner relating thereto.

VOTED that the town authorize the Board of Selectmen to bring whatever action is necessary in any court of the Commonwealth of Massachusetts to seek a determination as to the constitutionality of the assessment levied on said Town of Millis by the Massachusetts Bay Transportation Authority in light of the fact that said town receives no service and no benefit from said authority.

Article 81. To see if the town will vote that the Town of Millis, by means of Chapter 231A of the General Laws of Massachusetts, institute a suit of declaratory relief in the courts of Massachusetts in order to be relieved of its membership assessment in the MBTA (Massachusetts Bay Transportation Authority) on the ground that said assessment is unconstitutional since Millis does not receive service

from the MBTA and is not scheduled to receive service in the foreseeable future.

MOTION made by Mr. Joseph L. Travers, Jr., that Article 81 be Dismissed.

VOTED to Dismiss Article 81.

VOTED to Adjourn sine die at 11:55 P.M., the business of the warrant being completed.

SPECIAL TOWN MEETING, MONDAY, DECEMBER 7, 1970

Norfolk, SS.

To either of the Constables in the Town of Millis, in said County,
GREETING:

In the name of the Commonwealth of Massachusetts you are directed to notify and warn the inhabitants of the Town of Millis, qualified to vote in elections and in town affairs to meet on

Monday, December 7, 1970, at 7:30 P.M.

in the

Junior-Senior High School Auditorium

in said Millis, then and there to act on the following articles, viz:

Article 1. To see if the town will vote to raise or appropriate or transfer from available funds a sum of money to pay 1970 bills in the school teachers' salaries account, or act in any manner relating thereto.

Article 2. To see if the town will vote to raise or appropriate or transfer from available funds a sum of money to pay 1970 bills in the school vocational education account, or act in any manner relating thereto.

Article 3. To see if the town will vote to raise or appropriate or transfer from available funds a sum of money to pay 1970 bills in the school transportation account, or act in any manner relating thereto.

Article 4. To see if the town will vote to raise or appropriate transfer from available funds a sum of money to pay 1970 bills in the school expense account, or act in any manner relating thereto.

Article 5. To see if the town will vote to rescind the authorization to borrow \$45,000.00 granted under Article 18 of the annual town meeting of March 14, 1966, for the purpose of building a water storage facility at the corner of Village Street and Pleasant Street, or act in any manner relating thereto.

Article 6. To see if the town will vote to rescind the authorization to borrow the \$25,000.00 authorized and unissued portion of the \$150,000.00 authorized loan for the construction of the library as voted under Article 17 of the annual town meeting of March 14, 1966.

Article 7. To see if the town will vote to rescind the authority to borrow the \$2000.00 authorized and unissued portion of the \$12,500.00 authorized loan for appraisal of property as voted under Article 73 of the recessed annual town meeting of March 23, 1970.

Article 8. To see if the town will vote to authorize the Board of Selectmen to petition the General Court to enact legislation allowing the town of Millis to withdraw from the Massachusetts Bay Transportation Authority, to act in any manner relating thereto.

Article 9. To see if the town will vote to raise or appropriate or transfer from available funds the sum of \$12,142.29 as apportioned to the town of Millis in accordance with Chapter 768 of the Acts of 1969, Section 5, said amount to be set up as a separate account for highway purposes, or act in any manner relating thereto.

Article 10. To see if the town will vote to approve the filing of a petition in the General Court under the provisions of Section 8 of Article 89 of the Amendments to the Constitution for an act: "Granting tenure in office to age 70 to Richard C. Barrett as Superintendent of Streets of the town of Millis, which position he presently holds, notwithstanding the fact that the said town of Millis has accepted provisions of Section 69C to 69F of Chapter 41 of the General Laws creating a Department of Public Works within said town and transferring the said Richard C. Barrett to the said Department of Public Works when the same is established without loss of title or salary," or act in any manner relating thereto.

And you are hereby directed to serve this warrant by posting attested copies thereof, seven days at least before the time of said meeting as directed by the vote of the town.

Hereof fail not and make return of this warrant with your doings thereon at the time and place of said meeting.

Given under our hands this twenty-fifth day of November, 1970.

Selectmen of Millis

Donald M. Kuhn

Henry J. Lewandowski

Gordon W. McFetridge

A true copy.

Attest: William F. Carlson, Constable of Millis

Norfolk, SS.

Millis, Massachusetts

November 27, 1970

November 28, 1970

By virtue of this warrant I have notified the inhabitants of the town of Millis of said meeting at said time and place as herein directed by posting this warrant in ten or more public places in the town, in accordance with the by-laws of the town of Millis.

WILLIAM F. CARLSON

Constable of Millis

RECORD OF THE SPECIAL TOWN MEETING
HELD IN THE
JUNIOR-SENIOR HIGH SCHOOL AUDITORIUM
MILLIS, MASSACHUSETTS

MONDAY, DECEMBER, 7, 1970

A Special Meeting of the Town of Millis, Massachusetts was held in the Junior-Senior High School Auditorium on Monday, December 7, 1970, and was called to order by the town Moderator, Philip J. Gavin, Jr., at 8:11 P.M.

Voting List Inspectors: Alfreda M. Clark, Lorraine Consoletti, Mary M. Germano, Ella Mae Pollard.

Tellers appointed and sworn in by the Moderator: Russell Brodeur, Joseph T. Cassidy, Francis J. LeSage, Herbert F. Works.

The Moderator asked the Tellers to take a count as a quorum is necessary for some of the articles. The quorum necessary is 260 voters, the count showed 178 voters in the hall.

The Moderator announced he would continue the meeting at 8:45 P.M. if there was a quorum present at that time.

At 8:48 P.M. the Moderator called the meeting to order. The count showed 195 voters in the hall. The Moderator stated no action can be taken on any article requiring a quorum.

MOTION made by Mr. Donald M. Kuhn, Chairman of the Board of Selectmen, that this meeting be adjourned.

VOTED to adjourn at 8:55 P.M.

ARTHUR D. THORNE

QUESTION NO. 1

Proposed Amendment To The Constitution

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held July 15, 1968, received 155 votes in the affirmative and 98 in the negative, and in a joint session of the two branches held May 14, 1969, received 147 votes in the affirmative and 119 in the negative?

YES	592
NO	1218
BLANKS	271

SUMMARY

The proposed amendment to the Constitution authorizes the Legislature to classify real property according to uses, and authorizes the assessment, rating and taxation of real property at different rates in the different classes so established, but proportionately in the same class. The amendment further authorizes the granting of reasonable exemptions and abatements.

QUESTION NO. 2

Proposed Amendment To The Constitution

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held October 9, 1967, received 237 votes in the affirmative and 0 in the negative, and in a joint session of the two branches held May 14, 1969, received 262 votes in the affirmative and 4 in the negative?

YES	1459
NO	353
BLANKS	269

SUMMARY

The proposed amendment to the Constitution abolishes the requirement that in order to vote in a state election a person must have resided within the Commonwealth one year. If amended, the Constitution would require only that a voter have resided six months in the town or district in which he claims a right to vote.

QUESTION NO. 3

Proposed Amendment To The Constitution

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held October 9, 1967, received 142 votes in the affirmative and 102 in the negative, and in a joint session of the two branches held May 14, 1969, received 222 votes in the affirmative and 49 in the negative?

YES	1060
NO	768
BLANKS	253

SUMMARY

The proposed amendment to the Constitution reduces the minimum age for voting in a state election from twenty-one to nineteen.

QUESTION NO. 4

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held July 15, 1968, received 181 votes in the affirmative and 66 in the negative, and in a joint session of the two branches held May 15, 1969, received 208 votes in the affirmative and 54 in the negative?

YES	945
NO	680
BLANKS	456

SUMMARY

The proposed amendment to the Constitution amends the existing constitutional provisions which direct the division of the Commonwealth into 240 representative districts and 40 senatorial districts. It provides for a census of the inhabitants of each city and town in the Commonwealth in the year 1971 and in every tenth year thereafter. The census in 1971 is to be the basis for determining the representative and senatorial districts for the ten-year period beginning January 1, 1975. Each subsequent census shall be the basis for determining the districts for each ten-year period beginning the fourth January following each census, so that the census in 1981 will determine the districts as of January, 1985, etc.

The amendment provides that the house of representatives shall consist of two hundred and forty members and the senate of forty members. In its first regular session following each census, the Legislature shall divide the Commonwealth into two hundred and forty representative districts of contiguous territory and forty senatorial districts also of contiguous territory. Each representative district shall contain, as nearly as may be, an equal number of inhabitants according to the census. Each senatorial district shall also contain as nearly as may be an equal number of inhabitants according to the census. A representative district shall not unite two or more counties, towns, or cities, or parts thereof, or a city and a town, or parts thereof, in one district unless the same is unavoidable. Further, no town of less than six thousand inhabitants shall be divided in forming representative districts. It is also provided that the County of Dukes County and Nantucket County shall each be a representative district, notwithstanding the foregoing. The senatorial districts, each of which shall elect one senator, shall be formed without uniting two counties or parts of two or more counties, unless the same is unavoidable.

Each representative shall be an inhabitant of the district for which he is chosen at least one year immediately preceding his election, and each senator shall be an inhabitant of the district for which he is chosen at the time of his election and shall have been an inhabitant of the Commonwealth for at least five years immediately preced-

ing his election. Any representative or senator who ceases to be an inhabitant of the Commonwealth shall cease to represent his district.

The amendment also provides that the Legislature (1) may by law limit the time within which judicial proceedings may be instituted calling in question any such division and (2) shall prescribe by law the manner of calling and conducting elections for the choice of representatives and of ascertaining their election.

Finally, the amendment annuls the existing constitutional provisions with respect to apportionment of representative and senatorial districts, although those provisions will remain in effect until January 1, 1975.

QUESTION NO. 5

Which one of the following do you prefer with reference to the future course of action by the United States in Vietnam?

A. Win a military victory.	242
B. Withdraw our armed forces in accordance with a planned schedule.	1067
C. Withdraw all our armed forces immediately.	570

CHRISTOPHER C. CLANCY

Honored for his outstanding service to the town of Millis. He lived in Millis for 78 years, served on many appointed committees and the following elected offices: Overseer of the poor from 1925 through 1936, town treasurer from 1935 through 1938, and assessor from 1966 through 1970, at which time he moved from town and resigned.

MILLARD B. LaCROIX
Chairman

REPORT OF THE CONSERVATION COMMISSION

The conservation commission has continued the work of gathering information on the ownership of wetland and land within the flood plains of the Charles and Boggastowe Brook. The results of this work are to be incorporated into an "Open Space Plan" to qualify the town for federal and state assistance on acquisition of such lands for conservation purposes. In the meantime, members of the commission will welcome the opportunity to talk with owners of such land who might be interested in conveying it to the town by gift or at modest cost or in granting a conservation easement on the land. The conservation fund, to which we are again requesting an appropriation by the town, is the primary means of financing such a program.

We are also working with the planning board on completion of the flood plain zoning of the town by an article to be presented at a later meeting. This is tremendously important as a stop-gap action, but final protection of these valuable wetlands depends on ownership by the town or control through easement.

Through members of the commission, inquiries were made to the State Engineering Division of Air Pollution and followed up with representatives of Ruberoid concerning air pollution at the Ruberoid Plant. We are encouraged with the resulting plans of Ruberoid to reduce the smoke and fumes which are present. Although the progress of installing the necessary equipment is behind plan, assurances have been given that installation and operation will be complete early in 1971.

Respectfully submitted for
the Conservation Commission

ROBERT M. MORSE

Chairman

REPORT OF THE TOWN COUNSEL

This is a report of the discharge of my duties as town counsel for the town of Millis for the year 1970.

The following is a summary of most of the major cases handled by my office for the year 1970 together with the current status thereof:

1.: LAUREL DEVELOPMENT CORP. VS. ZONING BOARD OF APPEALS.

The trial of this case before a master was concluded in early 1970. After hearings on the master's report it was submitted to the superior court. The findings of the master were unfavorable to the town of Millis but, upon my motion, the superior court revoked the order of reference to the master and the case will likely be re-tried during the current year.

2.: WINIKER VS. ZONING BOARD OF APPEALS.

This case was tried during 1969 and a decree was handed down by the Norfolk County Superior Court in 1970. That decree dismissed the appeal of the petitioner and was completely favorable to the town of Millis. The petitioner has appealed this decision to the Massachusetts Supreme Judicial Court.

3.: HARCOVITZ VS. ZONING BOARD OF APPEALS.

This case is still pending and the petitioner has not brought the matter to trial as of the present date.

4.: CASSIDY VS. ZONING BOARD OF APPEALS.

This case is also pending and no anticipated trial date can be given at this time.

5.: EDEN DEVELOPERS, INC. VS. ZONING BOARD OF APPEALS.

This is an appeal from the Millis Zoning Board of Appeals denying the variance to the petitioner from frontage requirements relative

to land on Island Road. Pleadings have been completed but no date for trial has been set.

6.: EDEN DEVELOPERS, INC. VS. INHABITANTS OF TOWN OF MILLIS.

This is a complaint by the petitioner against the town of Millis, alleging that the town damaged the petitioner's property on Island Road by the removal of sand and gravel. The matter was transferred from the superior court to the District Court of Western Norfolk, and is presently pending before that court.

7.: DENNETT VS. ZONING BOARD OF APPEALS.

This is an appeal by petitioner from the denial of a variance by the Millis Zoning Board of Appeals. Pleadings have been completed but no date has been set for trial.

8.: PETTIS VS. TOWN OF MILLIS.

This is a petition for the land court contesting the validity of a conveyance by the treasurer of the town of Millis of land taken for tax title. The case has been tried but no decision has been rendered to-date.

9.: CERULLE VS. TOWN OF MILLIS.

This is a substantial tort case in the Norfolk Superior Court arising out of a fatal accident following a bank robbery on July 2, 1969. Pleadings have been completed and the case has not yet been assigned for trial.

There are several small contract and tort cases by or against the town of Millis that have been handled by this office. Most have been settled and a few are pending.

The matter of a zoning violation on Pleasant Street, was before the Wrentham District Court on several occasions. The violation has now been remedied.

As a result of several appearances in the Wrentham District Court a warrant was issued to remedy a health violation in the town and

the matter is in the process of being corrected pursuant to the authority of that warrant.

This office also handled the acceptance of Rosenfeld Road and secured and filed releases from owners of all properties abutting on that road. During the year 1970, I have given legal advice to almost every board and committee established by the General Laws or by-laws of the town of Millis.

It has been a privilege to work with the board of selectmen as counsel protecting the interests of the inhabitants of the town of Millis.

Respectfully submitted,

JOHN F. ST. CYR

Counsel

REPORT OF THE DUMP INVESTIGATING COMMITTEE

The committee makes the following recommendations:

1. That a sanitary landfill dump be undertaken. This is the most economical for the town. All other methods approved are economically prohibitive at this time.
2. That the location of this new facility be directly across the street from the present dump, and that the town acquire these lands from its present owners. These locations consist of some 14.8 acres of land owned by Nicholas Bruno and about 10 acres more or less from the southeast corner of the land owned by Diversified

located just west of the Bruno property. This would give the town approximately 15 to 20 years of dumping space.

3. That the land just east of the Bruno property, consisting of some 10 to 12 acres, also be acquired which would give an additional eight usable acres and five to eight additional years of dumping space.
4. That scrap iron and metals too large to be buried be collected at the new site and periodically hauled to a scrap iron buyer.
5. That the town acquire the land just east of the old dump consisting of some 2.5 acres so that the old dump can be properly graded down onto this adjacent land to meet the requirements of the Mass. Dept. of Public Health.
6. That a fee be charged to heavy users of the dump and the money go into the general fund.
7. If for any reason we should lose our present garbage (food) collector, garbage can be collected by the town or other independent contractor and the food refuse be dumped in the new landfill dump.

Respectfully submitted,

E. PETER BOSSE

Chairman

REPORT OF THE BOARD OF HEALTH

Submitted herewith is the annual report of the board of health for the year ending December 31, 1970.

In accordance with Chapter III, Section 27 of the General Laws, the board organized on March 3, 1970, with John J. Lyons, chairman; Paul J. Cleveland, clerk; Thomas J. Fleming Sr., member.

The dates of the regular meetings were set for the first and third Tuesday of each month at 8:00 p.m. in the town office.

BOARD OF HEALTH APPOINTMENTS

Inspector of Slaughtering	Timothy J. McCarthy
Sanitation Agent	Thomas J. Fleming Sr.
Milk Inspector	Philip J. Gavin Jr.
Burial Agent	Arthur D. Thorne
Asst. Burial Agent	Roma L. Curran
Agents, Board of Health	John J. Lyons
	Paul J. Cleveland
Asst. Agents	Betty Kochansky
	Shirley M. Rowley

COMMUNICABLE DISEASES

The following communicable diseases were reported to the Board of Health by physicians during 1970:

Chicken pox	1
Hepatitis	1
Scarlet Fever	15
Strep Throat	8

PERMITS AND LICENSES ISSUED BY BOARD OF HEALTH

Food service establishment	33
Retail	4

Bottling	1
Transport and dispose offal	5
Swimming pools	2
Manufacture citrus mixes	1
Funeral home	1
Septic tank	
New installations	23
Modification of existing facilities	18
Complaints received and investigation on record	18
Dog bites	13
Animal bite	1

MILK INSPECTOR

During the past year one sample of milk was sent to the Department of Public Health for test and was found to conform with the minimum standards required by that agency.

The following permits were issued and the money for same turned over to the town treasurer.

5 oleomargarine permits	\$ 2.50
20 milk permits	10.00

INSPECTOR OF SLAUGHTERING

There were no animals slaughtered during the year 1970.

AGENT FOR THE BOARD OF HEALTH

For the year 1970, 23 new septic tank installation inspections were made plus 18 inspections for modification of existing facilities. Miscellaneous complaints were received and appropriate action taken where necessary.

REPORT OF PROFESSIONAL-MEDICAL
ADVISORY COMMITTEE

The professional-medical advisory committee has met and discussed reviewing and re-issuing the health bulletin. One meeting was held with movies showing the role of the visiting nurse and a central information center.

We hope for a more active participation and also revision of policies for both the school health program and visiting nurse service.

Respectfully submitted,

John J. Lyons, Chairman

REPORT OF THE HIGHWAY DEPARTMENT

The year 1970 was a busy one for your highway department. In addition to its regular duties and routine work, several other projects were completed. These include:

1. Rosenfeld Road was accepted as a town way at the regular town meeting held in March of 1970. Several holes in the street were patched and a coat of liquid asphalt with a sand cover was applied.
2. On Village Street, the sidewalk between Plain and Spring Streets was completed, and 700 feet of new sidewalk from Plain Street to Norfolk Road was excavated and graveled ready for completion in the spring.
3. Under a special bond issue two intersections are being re-constructed and will be completed in the spring to make them safer for the motoring public. One is the intersection at Union and Main Streets; the other is at Norfolk Road and Village Street.
4. The highway department, under the state traffic safety program, installed traffic lights at the intersection of Route 109 and Route 115.
5. The highway department also installed flashing warning lights on Orchard Street at the approach to the bridge between Walnut and Ridge Streets, as authorized by the annual town meeting.
6. A new bridge on Dover Road between Millis and Medfield has been completed by Suburban Excavators of Wakefield under the supervision of the Massachusetts Department of Public Works.

New Equipment

A new 4 cubic yard Wayne power sweeper was purchased in April and has been well used.

A new 1700 Model International 3-5 yard dump truck was delivered to the Highway Department in October to replace a 1959 International. The new truck was desperately needed.

The big, new FWD has not been delivered yet due to a strike at the place of manufacture, but delivery should be sometime in January or early February, 1971.

A used John Deere bucket loader, delivered in May, for use at the town dump, has been of much use not only there but by many other town departments whenever and wherever needed.

Chapter 81 funds were used for the maintenance of all town accepted streets. Liquid asphalt, with a mixture of sand and stone cover, totaling approximately 19,000 gallons was applied to the following:

Orchard Street, Grove Street, Oakview Avenue, Ridge Street, Curve Street, Pleasant Street, Bridge Street, Union Street, Middlesex Street, Rosenfeld Road, and Hammond Lane.

Five hundred feet of 12" concrete drainage pipe was installed with four catch basins and two manholes to correct a very serious drainage problem on Baltimore Street.

Chapter 90 Maintenance funds were used to seal cracks on Main Street with a new process called slurry seal; then one inch of hot top was applied to give a new wearing surface from Spring Street to Plain Street.

Chapter 90 Construction funds and special bond issue funds were used to complete the third section of Dover Road including the new cut-off to Main Street. Drainage has been installed and the entire roadway from Main Street to Island Road has been resurfaced with one and one half inches of hot top.

Snow funds were used on eleven plowable snow storms which deposited 54" of snow, of which 33" fell in December, thus setting a

new record for the month. There were also 12 light snow storms and 4 freezing rain storms which required the use of 895 tons of salt and 2,592 tons of sand to control them.

My sincere thanks to the board of selectmen and to all other departments that have assisted the highway department this past year.

Respectfully submitted,

RICHARD C. BARRETT

Superintendent of Streets

REPORT OF THE MILLIS HOUSING AUTHORITY

The Millis Housing Authority is proud and pleased to report that in 1970 Kennedy Terrace has continued to be a convenient and comfortable home for its 32 families.

The apartments are now being redecorated as needed when a vacancy occurs before a new tenant occupies the premises.

The authority is very appreciative of the highway department of plowing and clearing of the snow.

Our maintenance superintendent, Mr. Sumner Rich, has kept our grounds and buildings in such excellent condition that we are considered one of the best maintained housing authorities in the state.

This low-rent housing has been made possible through Commonwealth of Mass. funds and is in no way a financial burden to our town.

MICHAEL MUSHNICK, *Chairman*

REPORT OF THE INDUSTRIAL DEVELOPMENT COMMITTEE

During the latter months of 1969 and the early part of 1970, the commission spent much time investigating the potential advantages of and the mechanics of industrial development financing authorities throughout the state. In connection with this study, contacts were made with towns which have already established such authorities, and with the Massachusetts Department of Commerce and Development, which provides state-wide control, coordination and review of the establishment and activities of such local authorities, under the provisions of the 1967 act of the Massachusetts Legislature.

The directors of such an authority, town residents, serve without compensation and the authority has no power to make any commitments which would result in any current or future tax liability to the town in which it is established. The existence of an authority does, however, permit more advantageous borrowing on the part of suitable industries, new or already established, after approval by the authority and by other town officials, as well as by the Mass. Department of Commerce and Industry. This borrowing is from private parties and the administration of all details of the borrowing and of funds borrowed and the interest and capital repayments on these funds is in the hands of suitable private financial institutions.

In other words, the existence of an industrial development financing authority is solely to make it more easy for the town to attract suitably attractive new industry or to facilitate desirable growth of existing industry. The recommendations of the industrial development commission that such an authority be established in Millis were embodied in an article of the town meeting of March, 1970, and this article was approved by the town.

The continued uncertainty connected with the timing and location of the proposed new Route 209 has curtailed activity on the proposed brochure planned for release to interested industrial firms.

Further meetings have been held jointly with the Millis Planning Board to discuss possible rezoning for industrial advantages.

Roadside signs extending welcome to industry have been made and will be erected at the town line on 109 early in 1971.

HENRY J. LEWANDOWSKI

SAMUEL POWEL

REPORT OF THE INSPECTOR OF ANIMALS

I hereby submit the following report of the inspector of animals for the year ending December 31, 1970.

There were 48 cases of dog bites. These animals were quarantined for the required period and then released. None of these animals showed symptoms of rabies.

The heads of two animals were sent to the state biological laboratory for examination and found to be free of rabies.

The annual barn and animal inspection has been completed as directed by the Mass. Department of Animal Health.

Respectfully submitted,

TIMOTHY J. McCARTHY

Inspector of Animals

REPORT OF THE INSPECTOR OF WIRES

It required 405½ hours and 2316 miles for this office to log 641 calls and visits during 1970, to process issued permits, emergency calls, fires, advising townspeople in electrical problems and doing research.

The past year marked the first time that revenue from permit fees (\$1186.) exceeded the combined salaries of the inspector and his assistant. A progressive rate schedule established early last year was a prime reason.

A breakdown of issued permits:

Commercial	33
Increase of service	29
Additions	12
Industrial annual	8
Multiple occupancy	7
Wiring after fires	7
Temporary services	6
Re-inspections	6
New dwellings	5
Swimming pools	4
Oil burners	3
Air conditioners	3
Aluminum siding	3
Homeowners	3
Dish washer	1
Burglar alarm	1
No charge (town work)	2

Once again a big "thank you" to my deputy, Dick Rooney, Mrs. Whitecross and Mrs. Germano for their assistance.

Proudly and respectfully submitted,

TAUNO AALTO

REPORT OF THE LIBRARY TRUSTEES AND STAFF

The library continues to move forward due to the enlightened attitude of our town officials and the cooperation of Millis citizens who support its growth.

Our art exhibit this year provided contrasts between the handsome, strong oil paintings of Mr. Frederic Courtois of Orchard St., Millis and the lighter delicate watercolors of Mrs. Marjorie Sheehan, of Franklin, a former Millis resident and library volunteer.

Mrs. Patricia Iseman, librarian, presented book talks to ladies of Ael-Chunon Congregation on current best sellers and to the ladies of the Church of Christ on the Adventures in Reading Spring Booklist.

In April, Mr. Stanley Roche conducted a meeting for fathers and sons who were prospective entrants of the Soap Box Derby. Many helpful hints on purchase of parts and construction of the cars were provided by Mr. Roche.

Several local groups and individuals continue to use the library activity room for meetings, including the medical professional advisory board to the board of health, the CSF, and Representative St. Cyr for meeting with the general public about upcoming legislation.

Mrs. Geraldine Tirrell, assistant librarian and Mrs. Mildred Powers, library assistant conducted the summer reading program, culminating in a happy trip to the Stoneham Zoo with 45 eager readers and chaperones.

A new program of outdoor film shows was inaugurated on July and August Tuesday evenings which was well received. Several nights the attendance exceeded 100 youngsters and adults. Free transportation was offered and accepted by several senior citizens. Casual dress was the fashion and many youngsters came in sleepwear as they do to drive-in theaters. This program will be continued in 1971.

Elementary school classes again visited the library during November Book Week. The purpose of this annual program begun in 1960 is to introduce the library and its operation to all the children. Each child chooses his own book during his visit. This book with others chosen by his classmates is subsequently sent to his teacher as a deposit collection for the classroom. Over 800 books chosen in this way by the children were delivered to the Memorial School, Clyde Brown School, and the Annex. Our very sincere thanks go to the elementary administrators who, over the past ten years, have agreeably and pleasantly done the difficult job of scheduling students and teachers which allows this program to continue.

We also wish to thank many library friends for donations of books. Several hundred excellent books have been added to the library from this source.

Mrs. Dorothy Drew, library assistant, attended a course at Norfolk County Agricultural School and then conducted 5 Tuesday night classes on Christmas decorating in the activity room with attendance varying from 10 to 30 enthusiastic adult students. The decorations to be made by the class were displayed during December at the library adding considerable holiday color.

The trustees were active in statewide library functions through the Mass. Library Trustees Association and the Division of Library Extension. One evening meeting in Stoughton on increased state aid to libraries was attended by all trustees and Mr. Everett Adams of the finance committee.

The Trustees express their gratitude to several volunteer story tellers including Mrs. Clifford Thatcher and Mrs. Virginia Paur, and to the Cadet Girl Scout Troop who contributed many hours helping the staff with conversion to a new library charging system.

For the library staff

Patricia Iseman, Librarian

Geraldine Tirrell, Asst. Librarian

For the Library trustees

Betty L. Temple, Chairman

ANNUAL REPORT

REPORT OF THE NORFOLK COUNTY MOSQUITO CONTROL PROJECT

Submitted herewith is the report of the Norfolk County Mosquito Control Project of its activities in the Town of Millis for the year ending December 31, 1970.

Aerial larvicide	804 acres
Misting from trucks	1765 acres
Backpack spraying	1 acre
Winter pre-hatch dusting	27 acres
Drainage ditches cleaned	4380 feet
Brush cut	360 feet
Culverts cleaned	7 culverts
Catch basins treated	210 feet

Respectfully submitted,

ALBERT W. HEUSER,
Superintendent

REPORT OF THE PERSONNEL COMMITTEE

The personnel committee has reviewed the wage and fringe benefits of all town employees who come under its jurisdiction. Meetings were held with nearly every town department head as well as those commissioners of various departments who will be affected by the new department of public works.

After considering the condition of the economy and thoroughly reviewing the compensation and fringe benefits granted to similar positions in surrounding towns of comparable size, it is the unanimous opinion of your personnel committee that we are presenting a fair and equitable salary adjustment for consideration in 1971.

The committee was faced with the problem of organizing the new department of public works which will become effective following the 1971 March election. Since no town of comparable size in this area presently has this type of department, the personnel committee feels that its major responsibility is in the area of creating certain job classifications along with corresponding salary ranges. The responsibility of fitting individuals into the various job classifications lies with the commissioners of the department of public works.

The committee wishes to express its thanks to Mr. Joseph Hersey for his many contributions in the past, and we regret that he was unable to continue on the committee. We also are grateful to newest committee member, Mr. Thomas Lydon, for his ideas and guidance during our deliberations.

We extend our thanks to the department heads, town commissioners, town employees, selectmen and finance committee for their patience and assistance in arriving at a salary schedule for 1971.

Respectfully submitted,

ROBERT E. READY,

Chairman

REPORT OF THE TREASURER

I hereby submit the following report of the treasurer's department for the year 1970.

Balance of the stabilization fund as of December 31, 1970 is as follows:

Medway Savings Bank	\$13,726.17
Framingham National Bank	50,328.77
Hancock Bank & Trust Company	1,461.22
Medway Co-Operative Bank	721.46
	<hr/>
	\$66,237.62

Balance of library trust funds as of December 31, 1970.

Dr. and Charles Wesley Emerson Fund	\$ 499.65
George W. Woolvett Fund	5,212.50
	<hr/>
	\$5,712.15

Balance of Millis One Hundred Anniversary Fund \$1,570.28

The following is a summary of insurance policies of the town as of December 31, 1970.

Respectfully submitted,

WILLIAM G. MALLETT

Town Treasurer

Respectfully submitted,

WILLIAM G. MALLETT

Town Treasurer

REPORT OF THE PUBLIC WORKS BUILDING SOMMITTEE

The members of the public works building committee and the architect held many meetings during the year. After much deliberation and many discussions a set of plans and specifications was agreed upon by both committee and architect.

Bids were advertised for September 1, 1970 but since all received were higher than the amount appropriated by the annual town meeting, the committee and the architect again went back to the drawing board to make revisions in the plans and specifications. Bids for the building were again advertised to be opened November 2, 1970. Six bids were received from general contractors.

On November 10, 1970, the contract was awarded to Allsteel Building Corporation of Middleborough, Massachusetts, for the sum of \$116,560.00 and the sum of \$6,993.60 to be paid to the architectural firm of Phillips and Noonan Associates of Milford, Massachusetts.

Work has begun on the building and is due to be completed May 1, 1971

Respectfully submitted,

RICHARD C. BARRETT,

Chairman

REPORT OF THE PLANNING BOARD

During the year 1970 the planning board held twenty-two regular meetings, three special meetings and seven public hearings.

Flood plain zoning was adopted and numerous amendments were made to the zoning by-laws.

In 1969 the planning board made application under the Urban Planning Assistance Program, Section 701, for the purpose of preparing a comprehensive town plan but to date no funds are available under this 701 program.

Respectfully submitted,

C. JOHN GRECO

Chairman

REPORT OF THE SEWER COMMISSIONERS

The sewer commissioners organized in March, 1970, with George Sarris, chairman; George DeAngelis, clerk; and Robert Pettis, superintendent of sewers.

All lines and connections were inspected in the sewer lines put in by the builder of the Millston apartments off Main Street. Inspections were done by our engineers, Haley and Ward.

Sewer rental is 100 percent of the water bill.

All property owners wishing to connect to town sewers must have a permit. The contractor or person doing the job must be approved by the sewer commissioners.

Water drainage other than sewerage into the sewer lines is *prohibited*.

All sewer connections are subject to inspection by the sewer department.

Respectfully submitted,

GEORGE SARRIS,

Chairman

REPORT OF SMOKE AND ODOR NUISANCE COMMITTEE

The committee reviewed complaints regarding smoke, odor and noise nuisance caused by the G.A.F. Corporation.

After consultation with the Millis Board of Health, the Mass. Department of Public Health, Division of Environmental Health, requested the G.A.F. Corporation to take immediate steps to insure proper air pollution control and requested that the Division of Environmental Health be informed of the corrective action taken by the G.A.F. Corporation by September 5, 1969. To the best of our knowledge G.A.F. Corporation has not taken the corrective measures recommended by the Division of Environmental Health.

Respectfully submitted,

JOHN J. LYDEN

REPORT OF THE ZONING LAW APPEAL BOARD

The board of appeal held 13 hearings during the past year.

Jan. 9 — Four Seasons Rest Home granted increased facilities.

Jan. 27 — Gibbs Tire Depot, 1494 Main street, granted variance to enlarge sign to 60 square feet.

Mar. 10 — N. E. Tel. & Tel. Co. granted side line variance of 5 feet.

Apr. 7 — George S. and Theresa C. Dennett, 1022 Main street, refused permission to convert garage into residence.

Apr. 7 — Middlesex St. Corporation granted special permit to renovate barn at 325 Village street to provide K. of C. hall.

May 12 — Eva L. Tucker, 382 Village street, refused permission to erect addition to building in non-conforming land.

June 2 — Samuel Powel, 80 Island Road, granted permit to sell art objects, etc.

June 2 — Eden Developers, Inc., Main street, granted special permit to erect four two-family units on Eden and Main streets.

July 16 — Robert Y. Barrett, 168 Village street, granted variance to erect addition to his home.

July 16 — American Precast Corp., 1468 Main street, granted permit to erect sign on its property.

Aug. 28 — Huna Rosenfeld, Main street, given special permit to remove loam to be replaced by gravel.

Sept. 25 — John C. Codman, 460 Main street, denied permit to erect stable.

Nov. 18 — Frederick O. Sprague, 931 Main street, permit to erect 18 multi-family units on land on Daniels street and Van Kleeck road. Decision pending.

Respectfully submitted,

WILLIAM F. WRIGHT, Chairman

REPORT OF THE TAX COLLECTOR

Following is the report of your tax collector for the year 1970.

Outstanding January 1, 1970	\$ 108,597.67
Taxes committed for collection by assessors	1,572,624.61
Total refunds	9,234.31
Transferred to tax title account	2,224.98
Total abatements	58,757.98
Total payments to treasurer	1,548,020.53
Total interest paid to treasurer	3,987.29

For the outstanding balances of the various tax accounts, please refer to the balance sheet of the town accountant's report.

I would like to thank all town departments that have helped me this year.

Respectfully submitted,

RICHARD H. AULENBACK

Tax Collector

REPORT OF THE DRAINAGE INVESTIGATING COMMITTEE

It has been our pleasure to report to the selectmen during the past six months concerning Millis drainage problems. About 37 cases requiring site investigation, owner conference and committee action with cost estimates and reports have been processed.

We have also reported on easements required for drainage with priority requirements. Town counsel can make the necessary preparations to benefit the town, as approved by the selectmen.

We have made the several boards, departments and building inspector aware of these drain problems, how they develop, why they become troublesome, how they are not resolved and become a public safety and health nuisance. The committee has found that, with improved communication between the reviewing boards, existing regulations are adequate to provide for public service in this area.

We recommend that a drainage committee be continued annually so that the selectmen can be aided with these somewhat lengthy investigations. The committee's work can terminate when the town acquires an engineer to include this work along with his other duties.

We have consulted with, and made thorough use of, the Millis Drainage Study of November 1967 in our investigations.

We have also investigated the opportunities for state and federal assistance for construction under public works funding and have forwarded this information to the selectmen for appropriate action when funds become available.

Respectfully submitted,

CHARLES G. ELLIS, P.E., Chairman

REPORT OF THE POLICE DEPARTMENT

I herewith submit my report to the police department for the year ending December 31, 1970.

Rape	1
Assault with dangerous weapon	3
Carrying dangerous weapon	1
Narcotic violations	37
Lewd and lascivious person	6
Indecent assault	2
Annoying and accosting	3
Miscellaneous calls	13,673
Animal calls	674
Accidents, fatal	1
Accidents	102
Accidents, hit and run	1
Emergency calls	347
Larceny	73
Breaking and entering	31
Destruction of property	40
Disturbance	254
Prowler calls	51
Assault and battery	21
Assault on police officer	2
Larceny of an auto	3
Trespassing	12
Arrests, total	153
Threats to a police officer	9
Runaways	9
Missing persons	15
Domestic complaints	35
Property checks	327
Assist at fires	170
Returned to institutions	3
Burglar alarms answered	111

Investigations, mental illness	26
Commitments	7
Doors and windows found open	108
Pistol permits issued	114
Firearm I.D. cards issued	72
Processes served (summons)	147
Ambulance runs	205

1970 Motor Vehicle Violations

Speeding	134
Stop sign	22
Operating on a restricted license	4
Minor in possession of alcoholic beverages	3
No license in possession	9
No registration in possession	15
Unregistered-uninsured	11
Operating after suspension of license	4
Driving under influence of alcohol	4
Operating after revocation of license	4
Failing to keep to the right	3
Failing to stop after accident	1
Driving to endanger	7

Following too close	1
Improper use of spot light	1
Failing to slow for intersecting way	9
Passing w/obstructed view	8
Total violations	283
Total citations issued	217
Court appearances	251

I'd like to take this opportunity to thank the town departments who have cooperated so wonderfully this past year, also the townspeople who through their wisdom have seen fit to give the department equipment that was badly needed.

The radar set has proved more than efficient as has the walkie-talkie portable radios.

The acquisition of another sergeant and another patrolman have increased the efficiency of your department greatly.

We will continue to strive through out the coming years to keep Millis provided with the type of professional police department such a fine community deserves.

Sincerely yours,

GEORGE J. SMITH, JR.

Chief of Police

REPORT OF THE PARK LAND INVESTIGATING COMMITTEE

The park land investigating committee was appointed by the moderator under the authority of the town meeting.

Last year the committee recommended the sale of park property on Union Street, and the town meeting approved the sale. The property was subsequently sold by the board of selectmen for \$4,600.

The school land investigating committee is currently in the process of picking a site for another school. We feel that when that site is determined, the town should seriously consider purchasing property in the immediate vicinity for park purposes.

We also feel that, with the exception of property near the new school, no park land should be purchased for park use until our present holdings are better utilized.

SEYMOUR DOLINER,

Chairman

REPORT OF THE BY-LAW COMMITTEE

The Millis By-law Committee selected by the voters at the annual town meeting has met numerous times during the past year, and a partial report of the results of its work is shown in the articles placed in this year's warrant.

The process of reviewing, annotating, and revising the existing by-laws in order to present to the citizens an updated rule effective in governing the community was found to be extremely time consuming. Extensive research was done to be sure there would be no conflict with the general laws and an attempt has been made to provide that certain needed protection that the general laws do not cover.

Realizing that the completion of such a study may take years, it is suggested that some thought during the coming year be given to the forming of a charter committee to follow through on this project.

Respectfully submitted,

PHILIP J. GAVIN, JR.,

Chairman

REPORT OF THE CIVIL DEFENSE DIRECTOR

I herewith submit my report as civil defense director for the year 1970.

All requests of the state and sector directors have been fulfilled and all reports requested completed.

Our radio officer has taken part in all radio alerts and drills.

Trips have been made to the civil defense base at Taunton in the interest of the town.

I wish to thank the board of selectmen and the citizens for their support, especially the personnel at the dispatch office.

Sincerely yours,

JOHN J. WARD

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

I herewith submit my report as sealer of weights and measures for the year 1970.

17	Scales sealed
28	Gasoline meters sealed
27	Apothecary weights tested
4	Oil and grease machines sealed

Sealing fees in amount of \$147.70 were collected and given over to town treasurer.

Sincerely yours,

THOMAS WARD

CHARLES O. and HELEN HARRIS

The town was pleased to honor at a testimonial December 4, 1970, these two people for their many years of dedicated service to the town.

Oscar retired from the fire department after 35 years but will continue to serve on the highway department. Helen retired during 1970 after 15 years service as a dispatcher in the police and fire alarm system.

REPORT OF THE FIRE DEPARTMENT

This department responded to 201 calls as follows: 2 lost children, 1 bomb scare, 24 town dump, 7 animal rescue, 2 stove fire, 2 washing machine motor, 48 grass, 18 building, 1 chimney, 5 oil burner, 3 power failure, 13 oxygen, 15 car, 19 house duty, 6 false alarm, 8 water in cellar, 7 car accident, 14 investigation, 1 building collapse, 5 mutual aid.

The Medfield, Medway and Norfolk Fire Departments assisted this department at various fires during the year.

Eleven practice sessions for the department were held and several men along with the officers attended training sessions.

All school fire alarms were tested every 60 days and town owned buildings were inspected quarterly as required by the New England Insurance Underwriters. Rest homes and hotels were inspected quarterly as required by state law.

We wish to express our sincere gratitude and appreciation to Helen and C. Oscar Harris for their 48 years of devoted service to the Millis Fire and Police Departments.

I wish to thank the board of selectmen and the citizens for their support, especially the personnel at the dispatch office.

Sincerely yours,

JOHN J. WARD

Fire Chief

REPORT OF THE CEMETERY COMMISSIONERS

The cemetery commissioners organized for 1970 with Arthur McFetridge as chairman, William Whelan as clerk and Leon Roberts as superintendent.

Many meetings were held throughout the past year with the first one devoted to planning the preparation of the cemetery for the Memorial Day service in the new area of the cemetery. The newest grave area is coming along in good shape. It is hoped that it will be completed for Memorial Day 1971.

All fences received a fresh coat of paint and a good deal of landscaping was done.

There were 38 burials this past year, an increase over the previous year.

The cemetery commissioners are grateful for the added support through bequests to the cemetery trust funds and perpetual care. These funds are a tremendous help in our endeavor to maintain Prospect Hill Cemetery. We also wish to thank the townspeople and all town departments who helped us in any way this past year.

Respectfully submitted,

ARTHUR S. McFETRIDGE,
Chairman

REPORT OF THE TREE WARDEN

I hereby submit my report as tree warden of the town of Millis for the period ending December 31, 1970.

In addition to the normal duties of the tree department, a great deal of effort has been put into the removal of unsightly stumps; and, hopefully, in the near future this problem can be eliminated completely.

At this time I would like to express my appreciation to all of the town departments and the townspeople for their cooperation in 1970.

Respectfully submitted,

FRANCIS K. FARRICY

REPORT OF THE SUPERINTENDENT OF INSECT PEST CONTROL

I hereby submit my report for the period ending December 31, 1970.

As in the past this department has conducted a vigorous campaign against the Dutch Elm disease and other leaf-eating insects which seriously endanger the natural beauty and survival of the trees in this town.

The success of these efforts is entirely the results of the cooperation of the various town departments and residents of the town of Millis.

Respectfully submitted,

FRANCIS K. FARRICY

REPORT OF THE WATER COMMISSIONERS

The board of water commissioners herein submits a brief summary of activities for the year 1970. The board wishes to thank all individuals and departments for any assistance given the water department through the year.

1970

Service calls	76
New service installed	6
Service repaired	28
Meters installed	11
Broken main repairs	4
Hydrants replaced	3
Hydrants rebuilt	12
New hydrants installed	4
Gate valves installed	6

Water mains installed by contractors under the supervision of the water department:

Dover Road 380' 8" cast iron pipe
Milliston Apartments 700' cast iron pipe
300' 10" cast iron pipe on Village Street
1400' 10" cast iron pipe on Farm Street.

All water mains installed were of the cement lined type and approved by the board of water commissioners.

Veterans' Agent

REPORT OF THE GAS AND PLUMBING INSPECTOR

I hereby submit my report as gas and plumbing inspector for the year ending December 31, 1970.

Gas permits issued	60
Gas inspections approved	60
Plumbing permits issued	38
Plumbing inspections approved	38

Respectfully submitted,

HUGH J. McCARTHY

REPORT OF THE SCHOOL LAND INVESTIGATING COMMITTEE

Your committee has been working very diligently this past year to find land suitable for school purposes. We have now been able to reduce the number of prospective locations which could be suitable to four.

This committee is submitting an article in the annual town warrant for the consideration of the townspeople.

Respectfully submitted,

COLLINS O'CONNOR,

Chairman

REPORT OF THE MEMORIAL DAY COMMITTEE

Memorial Day 1970 was celebrated on the Sunday before the legal holiday. The annual parade was well attended and to all of those who participated, we thank you. Ceremonies were held at the World War I and the World War II memorials.

Ceremonies this year were held at the natural bowl in the newer section of the cemetery. The opening welcome was by Commander Vernon Capps. The program consisted of the reading of General Logan's orders. Lincoln's Gettysburg Address, a recitation of Flanders Field and selections by the band.

Wreaths were placed and a salute fired by the Legion firing squad as the following public memorials: Pollard Drive Memorial, Raymond J. Curry Memorial Square, Harry Himelfarb Memorial Square, and Buddy Kearney Memorial Square.

Respectfully submitted

VERNON CAPPS
Chairman

REPORT OF THE WORLD WAR II MEMORIAL COMMITTEE

Your committee is pleased to report that the World War II Memorial has been maintained in excellent condition. The memorial and the flag have been kept lighted from dusk to dawn and will remain so for the duration of the Viet Nam War.

Thanking you, the people of Millis, for the privilege for us to do this for you.

Respectfully submitted

VERNON CAPPS
Chairman

REPORT OF THE BOARD OF SELECTMEN

The board of selectmen organized for the year during a special meeting held Tuesday, March 3, 1970. Donald M. Kuhn was elected chairman and Henry J. Lewandowski, clerk. Gordon W. McFetridge, the third member of the board, began his first year as a selectman.

Regular meetings are scheduled for alternate Mondays but the press of business has frequently made weekly meetings as well as many special meetings necessary.

Contracts awarded during the year were:

Jack Madden Ford Sales Inc., Norwood, one 1970 Ford police sedan cruiser \$3011.43

Wrentham Equipment Co. Inc., Norfolk, one used John Deere Model 350 crawler loader for the highway department \$6000.

Casey and Dupuis Equipment Corporation, Watertown, one Wayne Model 1-984 street sweeper \$11,321.

Frabotta Motors Inc., North Uxbridge, one International Model 1700 3 to 5 yard dump truck for the highway department, with turn-in of a 1959 International truck. \$6100.

Northeast Sales and Service Inc., Weston, four-wheel-drive dump truck for the highway department, with a turn-in of a 1946 F.W.D. \$21,195.

Charles H. Clougherty Co., Medfield, one Maxim model CX-7-6 fire truck \$22,693.

Savin Business Machines Corporation, East Providence, R. I., one Savin 220 copier with console for the town office \$1422.35

Roger A. Langelier Painting Co., Blackstone, Mass., interior painting at the town office \$1220.76.

Gulf Oil Company — U.S., Wellesley, Mass., gasoline per gallon, exluding applicable tax \$.191.

Medway Oil Company, Medway, Mass., No. 2 fuel oil for town buildings, per gallon, subject to certain increases \$.1394.

Blue Cross — Blue Shield, Brockton, hospital-medical-surgical 1971 coverage under Chapter 32B, individual \$15.26, family \$42.59, optional medicare extension \$10.40, all of which the town pays one-half.

Boston Mutual Life Insurance Company, Boston, \$.90 per thousand dollars, maximum \$2000 per employee, of which the town pays one-half.

Central Equipment Company, Millis, radar, \$1195. and two "walkie-talkie" radios, \$1594.80, for police department.

Jack Madden Ford Sales Inc., Norwood, one Ford 1971 sedan, standard body style, for police department, \$3060.50. Funds used for this replacement of the police unmarked vehicle were an insurance recovery and a transfer from the finance committee.

All equipment ordered has been received with the exception of the fire truck and the four-wheel-drive dump truck. Delivery of the fire truck is scheduled for the spring and the dump truck is expected to arrive shortly.

Some of the improvements undertaken in 1970 in the interest of the safety of those living, working and travelling in our community were the installation of traffic signals at the Main and Plain Streets intersection; improved street lighting, especially on the west end of Main Street; permits secured from the Massachusetts Department of Public Works which will allow the construction of traffic islands in 1971 at the intersections of Main and Union Streets and of Norfolk Road and Village Street; completion of the Dover Road construction with the exception of additional resurfacing scheduled for 1971; participation with Medfield and the state in the construction costs of Brastow's Bridge on Dover Road opened to traffic in the fall after being closed for more than two years; and additional personnel in the police department.

Patrolmen appointed under civil service to the police force during 1970 were John Kubacki, Francis X. Hines and Albert J. Baima. Hugh D. Mick was promoted to sergeant under civil service. The force now comprises ten full-time men, two sergeants, seven patrolmen and Chief George J. Smith Jr.

As authorized by town meeting action, we appointed three members, Charles Ellis, Louis DeAngelis and Herbert Stevens, to a committee to investigate drainage problems within the community. They reviewed many vexing problems and made their reports to the board of selectmen. We hope, by appropriation at the 1971 annual town meeting, to be able to implement several of their recommendations through the new department of public works.

We have also worked closely with the dump investigating committee appointed by Moderator Philip Gavin. Because of the emphasis and widespread concern of ecological problems, state requirements have been tightened and certain regulations will have to be met regarding waste disposal. Articles in the 1971 town meeting warrant reflect steps to meet state standards and call for acquisition of land on each side of the present disposal area, purchase of a large shoveldozer and an appropriation for engineering for a future dump site. We are extremely pleased with the diligence of the committee, particularly that of Chairman E. Peter Bosse, and the move to implement their recommendations is contingent upon town meeting action in 1971.

As authorized by the 1970 town meeting and legislation by the General Court, the selectmen auctioned a small parcel of land on Union Street adjacent to the railroad. The purchaser was Hun-Dean Corporation at \$4600.

The new department of public works comes into being with the March, 1971, elections and the selectmen, who proposed creation of this department by town meeting article in March of 1969, look forward to the benefits of a coordinated department encompassing the current highway, sewer, water, tree, insect pest control and park department equipment and personnel.

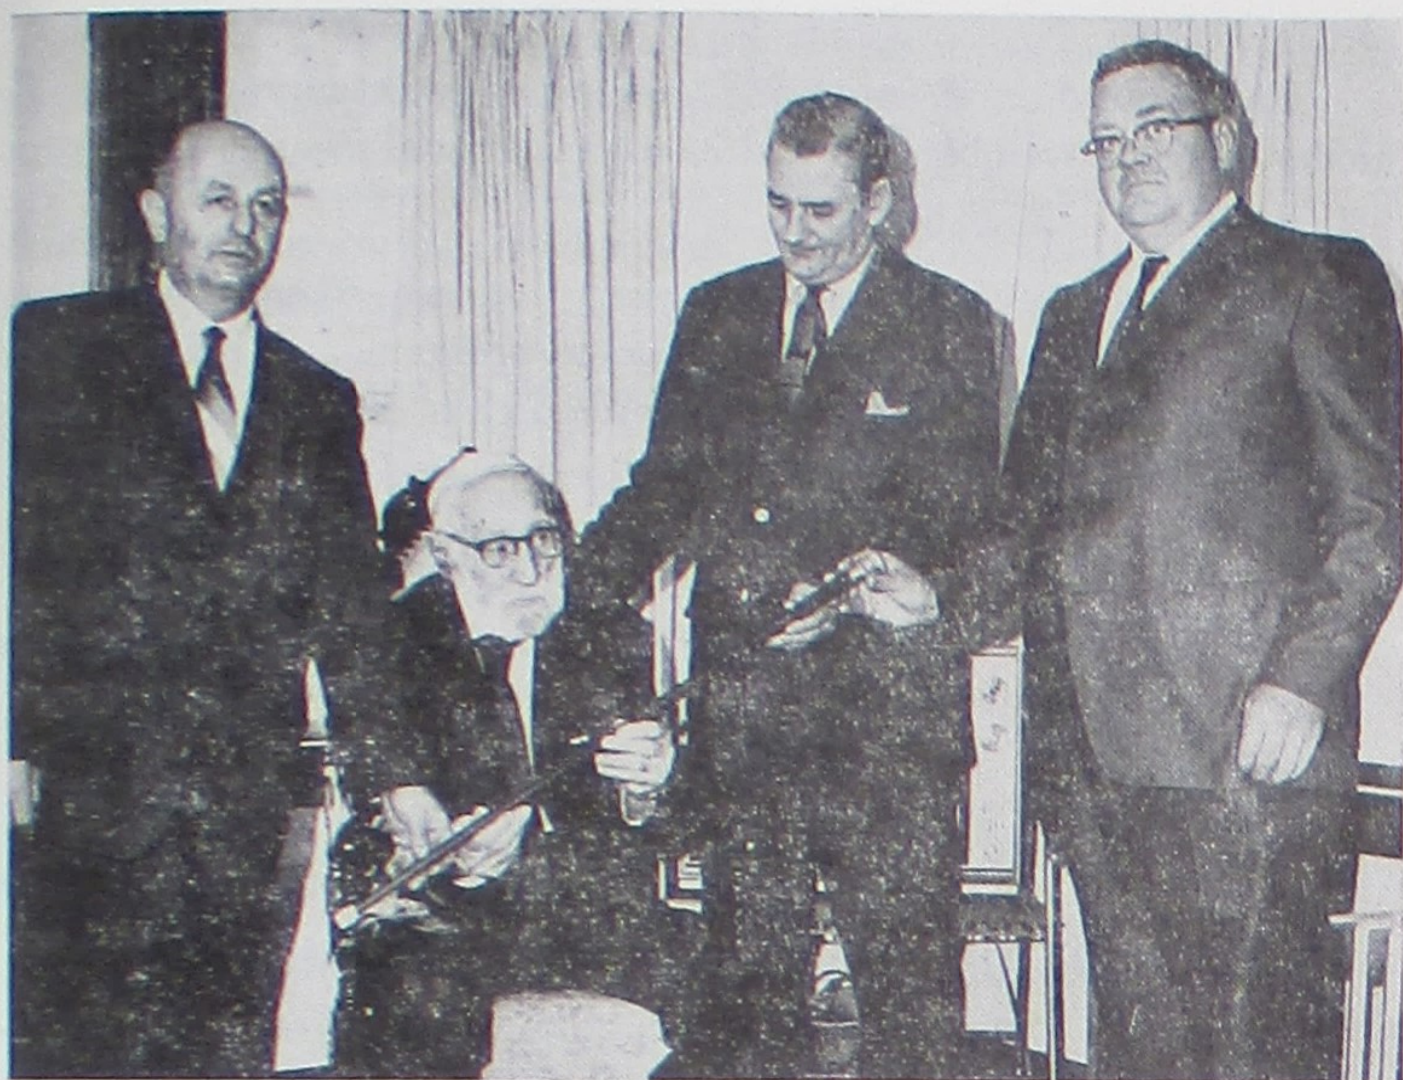

A very happy event for the selectmen during the year was the presentation of the Boston Post Cane on December 6 to a remarkable man, Joseph Mael of Village Street. Mr. Mael, alert and keen of mind, celebrated his 97th birthday in January, 1971. He immigrated from Warsaw, Poland, in 1904 and came directly to Millis where he operated a poultry business for many years. The founder of the House of Jacob synagogue on Village Street 62 years ago, he is a member of many religious and charitable organizations.

Mr. Mael survives his wife of 56 years, Etta, and one son, Morris. Of the four other Mael children, Harry Mael and Helen Spiro live in Millis, Edward in Brookline and Mark in Connecticut. There are 19 grandchildren and 45 great grandchildren.

Respectfully submitted

DONALD M. KUHN

Chairman

Presentation of the Boston Post Cane to Millis' oldest citizen. Seated, Joseph Mael. Standing, members of the board of selectmen, Henry J. Lewandowski, clerk; Donald M. Kuhn, chairman; and Gordon W. McFetridge.

REPORT OF THE INSURANCE INVESTIGATING COMMITTEE

The insurance investigating committee was appointed by the moderator in November and had its organizational meeting on December 10, 1970.

The board of selectmen requested that the committee make a thorough review of the town's insurance program and make recommendations back to them. The committee is just commencing its study of the town's insurance portfolio.

Respectfully submitted,

JOHN W. PURKIS, *Chairman*

REPORT OF THE HISTORICAL COMMISSION

This year, 1970, was the first for the historical commission of the town of Millis.

The commission was organized during the latter part of 1970 with the election of officers. The first project was determined: to secure the "King Philip Trees" located off Dover Road.

In 1971 and beyond, the historical commission will be concerned with locating and preserving artifacts and landmarks of historical value to the town of Millis.

Much of the inspiration of the 1970 historical commission was due to one of its members, Harold Olson, now deceased.

Respectfully submitted,

WAYNE B. BOIE, *Chairman*

REPORT OF THE BUILDING INSPECTOR

I hereby submit my report as building inspector for the town of Millis for 1970.

During the year 61 permits were issued. The estimated cost of construction for said permits was \$2,143,022. This figure nearly doubles the estimated cost of construction of the previous year.

The following is a breakdown of the building permits issued:

4	Residential permits — estimated cost of construction	\$ 103,500.
6	Multi-family dwellings	” 333,000.
9	Commercial and industrial	” 1,636,355.
21	Residential additions and alterations	” 51,250.
18	Utility buildings	” 18,917.
3	Renewals	No charge
<hr/>		
61	Permits issued	\$2,143,022.

I am pleased to report that for the second year in a row this department has been self-sufficient having returned \$3870., the fees for the listed permits, to the town. I would like to express my thanks for the cooperation I have received from my associate, William Whelan, and from Mrs. Kenneth Whitecross and Mrs. Charles Germano.

Respectfully submitted,

CHARLES F. MANDELL

REPORT OF THE PARK COMMISSIONERS

The board of park commissioners respectfully submits a brief summary of the park department activities for the year 1970.

This year our tennis program was very successful with a high of 125 boys and girls attending. We would like to express our sincere appreciation to Aram Karoghlanian for his time and talent in making our tennis program a success.

Respectfully submitted

GEORGE DUHAMEL

SCHOOL COMMITTEE REPORT

To the Citizens of Millis:

Members of your School Committee for the months of January and February in 1970 included the following: Robert W. McDonough, Chairman, Francis J. Collins, Secretary, Raymond L. Gehling, Jr., Financial Secretary and John F. O'Rourke, Associate Member and John M. Ritchie, Associate Member.

Following the annual Town election the Committee held a special meeting and organized in the following manner: Raymond L. Gehling, Jr., Chairman, John M. Ritchie, Secretary, John F. O'Rourke, Financial Secretary, Reverend Robert D. Fay, Associate Member and John H. Merrill, Associate Member.

During the school year the Principals were present, by arrangement, to discuss personnel, programs, preliminary budgets and curricula.

Driver Education has been continued with the classroom instruction being given during the regular school day and the "Behind the Wheel Training" scheduled after school hours. The Fred C. Browne Ford Agency of Walpole makes two cars available for this purpose for which we are grateful.

The School Committee has sponsored youth summer recreational programs which include swimming and safety instruction at the Hopkinton State Park, and supervised playground activities in the Town Park. Evening Practical Arts courses and classes in art and typewriting for adults are planned during the school year.

School Committee policy relating to bids include preparation, advertising, public opening for the following contracts: bus, supplies, equipment, fuel, milk, bread, typewriters, etc.

Maintenance of school grounds and buildings is an ongoing process around the calendar.

Pupil insurance is offered on a voluntary basis to parents. Because of the numbers involved the rates are reasonable and serious

consideration about participation in the program should be given by parents. At the opening of school each year, information concerning the program is made available. All claims to date have been honored which are in keeping with the coverage offered by the policy.

The Committee continues to serve as co-sponsor of the Brownies, Cub Scouts, Girl Scouts, Boy Scouts and Explorers.

The Committee voted that Raymond Gehling would be the delegate at the annual meeting of the Massachusetts Association of School Committees which was held at the Belmont Hotel, Harwich, in October. Mr. Gehling served as a participant on the panel the "Year Round School" representing the State Department of Education where he is employed as a Senior Supervisor. Mr. Gehling did special study in this area for the State Department. Dr. Roy, Superintendent also attended this convention. The Committee maintains an active membership in the Area II School Committee Association.

The Committee has endorsed the participation of the local school system in many federal supported programs which include Public Law 89-10, Title I, Summer Elementary School Program; Title II, Library Program; and the National Defense Education Act Program. Leadership in these programs exerted by the Superintendent and Principals is most beneficial.

The School Committee and Millis Teachers' Association, an affiliate of the Massachusetts Teachers' Association, have established subcommittees to work out details relating to negotiations for 1971-72.

The School Committee has devoted much time and effort studying, adjusting and reviewing its budget with administrators, coordinators, department heads, cafeteria manager, and head custodian, and believe its request is a minimum to operate efficiently and effectively the schools for 1971.

The School Committee acknowledges publicly the long term service on the Committee by Mr. Robert W. McDonough and the services of Francis Collins for the benefit of the youth of Millis.

In closing, the Committee wishes to extend its thanks to the members of the faculty, administrators, school personnel, Town Departments, American Legion, members of the PTA, the Lions Club, and the Townspeople for their cooperation and assistance in making the school year of 1970 beneficial and profitable.

Respectfully submitted,

RAYMOND L. GEHLING, JR., *Chairman*
 JOHN M. RITCHIE, *Secretary*
 JOHN F. O'ROURKE, *Financial Secretary*
 JOHN H. MERRILL
 REVEREND ROBERT D. FAY

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee and Citizens of Millis:

Herewith I present my twenty-second report as Superintendent of Schools. It is the Seventy-ninth report in a series of School reports which began in 1892. Included in my report are selections of the reports of the principals and other key personnel.

This year it is intended that the School report contain the necessary statistical reports:

Distribution of Minors	(October 1970)
School Calendar	(1970-71)
Grade Population	(October 1, 1970 School register)
School Personnel	(1970-1971)
Financial Statement	(December 31, 1970)

Welcome to our new administrators:

Thomas Collins, Supervising Elementary Principal
 Thomas Deffley, Assistant Elementary Teaching Principal
 Joseph Arcudi, Assistant Secondary Principal

and success to them and the new members of our staff and good luck to those who have left our ranks.

A Regional special education program with the Towns of Holliston, Ashland and Medway, was inaugurated in September 1970 and seems to be working out exceptionally well.

The teachers of special subjects, department heads and coaches have submitted comprehensive reports of the activities of their areas during the past year. Many of these are excellent but this year we are not including excerpts from them, but acknowledging these in the following manner:

Reports were received from the following:

Mary K. Gavin	Mathematic Coordinator
Suzanne Whittemore	Foreign Language Dept. Head
Justin Sullivan	English Department Head
Joan Strathern	Librarian
Frank Gubala	Music Coordinator
Andrew Marak	Director of Athletics and Faculty Manager
Elaine Peterson	Girls Physical Education
Ernest Richards	Head Football and Baseball Coach
Paul Duca	Head Basketball Coach
Frank Glass, Jr.	Cross Country Coach
Russell Gilfoy	Art Coordinator
Eleanora T. Duross	Reading Analyst
Karen Flynn	Reading — Secondary
Betty Cushman	Elementary Physical Education Instructor
Eileen Brown	Cafeteria Manager
John Trainor	Director of Guidance
Dennis Naughton	Acting Social Studies Dept. Head

Excerpts from the Principals, School Physician, School Dentists, School Nurse follow this report.

OUR SCHOOL POLICY

"Quality education" encompasses equal educational opportunity and is greatly entwined in the Massachusetts thought of equal awareness and responsibility. In keeping with the times and needs, the meaning of "Quality Education" should be reexamined constantly and we do so.

"Quality education" —

1. is aware of a changing world of employment.
2. should free innate talent.
3. develops effective citizenship.
4. influences the manner leisure time is to be used.
5. concerns itself with ethical behavior.
6. safeguards mental and physical health.
7. reflects good management and adequate support.
8. in part embraces the study of the humanities, which is most human and their subject is every man, and they represent the best way to reach those whom we would educate.

SCHOOL HOUSING - OUR MAJOR PROBLEM

The school administration has worked closely with the School Land Investigating Committee to determine school land requirements for future school needs. Details of that committee's report will be found elsewhere in this town report.

Did you know —

1. that the Memorial School now houses 420 students mornings which is 70 or 20% over the theoretical capacity of 350?

2. that every classroom in the Memorial School is undersized to accommodate a class of 25?
3. that the school enrollment continues to grow?

SCHOOL HOUSING

4. that more students are moving into the Junior-Senior High School in September 1971 — an increase of 55?
5. that limited space limits school programs?
6. that in 1966 — 127 births were recorded by the Commonwealth of Massachusetts, Department of Public Health, and in 1948 the figure was 62, a gain of over 200% above the 1948 figure for Millis?

Briefly provisions must be made —

1. to adequately accommodate our elementary students.
2. to make the space used by the elementary classes at the Memorial Annex which is part of the Junior Senior High School Building available for secondary school purposes.
3. to allow us to develop our educational program both horizontally and vertically throughout the system from K through 12.
4. for a School Building Committee to review, study and with the School Committee and administration recommend school building needs.
5. as soon as possible so we may better serve the youth of our community, avoiding double sessions and overcrowded conditions.

May I, at this time, extend my appreciation for the cooperation and assistance rendered by the members of the School Committee, the Principals, the entire school personnel, all local organizations, and the townspeople.

Respectfully submitted,

GEORGE C. ROY

Superintendent of Schools

ANNUAL REPORT OF THE MILLIS JUNIOR SENIOR HIGH SCHOOL — 1970

William A. Vellante, Principal

Beginning the school year 1970-1971, new courses were added and some were revised. Among them are: the offering of French in the seventh and eighth grades; a revision of the social studies program in grades, ten, eleven and twelve; a new physics course in the science department; an engine repair course in industrial arts; the addition of shop math and business math in the math department; the use of the Key Punch machine in the business department; science pilot programs in grades seven and eight; the study of the American Theatre and Music in the music department.

Students desire meaningful courses and subjects. Their attitudes reflect a desire for change that is relevant. Although we must not change for the sake of change alone, citizens must accept the fact that a new era is upon us. Many positive programs are being piloted from which many of our young people are benefitting.

A rotating schedule was initiated this year. Although not new in concept, such a program provides change in the stereotyped scheduling that was in effect in the past. In addition to the elimination of monotony through the rotation of classes, it has provided staff members the opportunity to devote an amount of time each week toward the development of the curriculum in its preparation for revision and change.

Among the curriculum proposals are: initiation of electives in English and the introduction of half year courses; the addition of courses in Nutrition and Child Care for girls interested in Nursing; the need for developing faculty teamwork in the junior high school reading program; the introduction of Algebra on the eighth grade level, and the offering of Algebra II prior to Geometry; the instituting of an intensive program in art providing in-depth technical art training; the continuing revision of the social studies curriculum through the inquiry method approach in grades seven, eight and nine; the updating of the presentation of the material and the structures of foreign languages, particularly French; the development of a music curriculum to meet the interest and needs of the students; the development of a drug program in the curriculum; the revision of some phases of the business program to provide continuity to courses; the development of laboratory and investigative programs in junior high school science classes; the provision of instructional materials for students of varying levels of ability in all grade levels; and the development in industrial arts of a line production program for students in grades eight and nine, by producing marketable products on a production basis.

The approval of the "Open Campus" concept for secondary schools has acknowledged new opportunities and programs for students and staff members. The plan basically permits a high school to design college-type scheduling of classes and allows students to attend casual or quite study halls, audit courses, work on independent study, participate in a tutorial program, or, with parental permission, leave the school grounds. The "Open Campus" plan is presently under study, and recommendations will be made to implement a modified program to meet our own High School situation.

Although many changes are taking effect, students still enjoy the extracurricular activities of school life. Among the more popular activities are athletics, social functions, and the co-educational intramural program conducted in March by the Physical Education Department.

Your attention is called to the importance of new instructional approaches. They cannot be realized without budgetary appropriations. The support of the School Committee has been most gratifying and encouraging. Staff members have been enthusiastic about the approaching school year because of the instructional materials that have been granted.

Your Principal wishes to express his gratitude and appreciation for the many words of encouragement and good wishes received by many parents, friends and students during his time of ill health. He is especially appreciative of the sympathetic understanding of his Superintendent, Dr. George C. Roy, and the School Committee. A special word of gratitude must also be extended to Mr. Arcudi and Mr. Marak who worked so diligently and conscientiously during my absence. The staff, professional and non-professional, cooperated beyond expectation and are gratefully acknowledged. In conclusion, a special word of appreciation must be extended to Mrs. Rogers, my secretary, for her untiring efforts and assistance to all during my absence.

REPORT OF THE ELEMENTARY SCHOOLS

Thomas P. Collins, Elementary Supervising Principal

The following includes excerpts from both elementary assistant administrators.

It is with great pleasure that I submit my first Annual Report as Elementary Supervising Principal of the Millis Public Schools.

My interpretation of an effective educational program is that opportunity must be given to the individual for continuous progress in a sensitive, humane learning environment. This implies a program of individualized learning and instruction as well as interaction within a group. Together these provide the pupils with the opportunity to develop intellectually, socially and emotionally.

Grades 1 and 2 are operating under the same concept as previous years except a more individualized approach is being attempted in developing reading skills.

There are, also, areas of what might be considered new but not innovative practices. Here we are trying to meet the needs of a small group or class, to try a step at a time to fit into our own philosophy what appears to be an improvement from some of the educational experiments going on around us. One of these areas is where two teachers co-operatively work with the same reading group. Taking them at different times they are able to share knowledge of the pupils common problems and methods of gaining successes. Another new approach being tried by several first grade teachers, although not new to the system, is in the area of individualized instruction. Children can at times work with groups or on their own with the many types and kinds of supplementary materials available.

Equally important to the development of the students are the academically correlated projects and affairs that they were able to take part in during the year.

This year the third and fourth grades started working with a flexible unit of scheduling. Under this system each youngster is

placed in a Reading/Language Arts group and in a Mathematics group that is compatible with his level of academic achievement. The other subjects, science, geography, history and health are taught on a heterogeneous basis.

With the flexible unit it is possible for one teacher to teach all subjects and have up to 90 youngsters daily to whom she is responsible. The third and fourth grade staff is presently working on several approaches that may result in teachers working in teams of two, each team having 60 youngsters. In this way the teachers could work a semi-departmentalized approach.

Departmentalization is still characteristic of Grades 5 and 6 with Grade 5 working in 80 minute blocks in Language Arts and Social Studies. The total program is a gradual progression from the self contained concept of Grade 1 to the completely departmentalized structure of Grade 7.

Although a graded structure exists basically, there is increased emphasis on planning and coordination between and among the grade levels. This interaction is the result of our In-Service Meetings which were introduced early in October. The meetings are held on alternate Thursday afternoons during the school year from 12:45 - 3:15 p.m. The purpose of these work sessions are to familiarize the teachers with new and different concepts that are directly concerned with the improvement of instruction.

The Electronic Language Laboratory continues to be a key instructional tool in the Language Arts program. Lessons suited to the learning level of each pupil are being used to supplement the first hand teacher-pupil interaction.

The Library Program continues to be in effect on a limited basis. The School Librarian services the Memorial School and the Memorial Annex on a daily basis. Other arrangements have been made to bring the Millis Public Library to the elementary schools by way of Book Baskets.

During the month of September the Lunchroom Aide program went into effect. After a week of orientation the aides took over the

supervisory duties of the lunchroom and have proven to be very effective in their new roles. The elementary staff expresses their appreciation to all those who have made this program possible.

In closing, I wish to express my sincerest thanks to the School Committee, Dr. Roy, my assistant principals, the staff members, and to the parents and pupils who have made my beginning in Millis a very pleasant experience.

ANNUAL REPORT OF THE MEDICAL DEPARTMENT

Jacob J. Zalvan, M.D., Director

As usual, this year we examined all the students in grades III, VI, IX, and XII; most of the incoming kindergarten class except those examined by their own family physicians; and the students in the Special Class. We also examined all students in grades VII through XII who wished to participate in competitive sports, boys and girls. With the repeated turnover of para-scholastic employees—cafeteria workers, bus drivers, maintenance — we were called upon to give physical examinations to these applicants.

For our regular routine physical examinations we checked almost 700 students. Of these, about 40% had no defects. Of those that had defects, we found approximately

- 50% were orthopedic and postural.
- 15% were enlarged or diseased tonsils.
- 10% were nutritional (overweight or underweight).
- 3% had dental defects.
- 3% had cardiac abnormalities (both congenital and functional).

We are pleased to report that all serious abnormalities have been referred for consultation and specialized treatment. We are still hopeful that the nutritional and postural defects can be remedied by proper physical education instruction.

We were fortunate in not having any serious football injuries and our boys surprised the League with their good record. At this time, we would like to report that misunderstandings about insurance for athletes were cleared up; though the type of insurance offered is "adequate and the best available", it does not give full or complete coverage as was previously thought to be the case, and parents are being so advised from now on. This is a separate insurance from that offered to the entire student body; this latter is excellent and we advocate it whole-heartedly.

There were no contagious epidemics. The Board of Health again sponsored flu immunization clinics for the school personnel and Town employees; also offered by the Board were free clinics for immunization against Diphtheria, Tetanus, Whooping Cough, Measles, German Measles, Poliomyelitis and Mumps. Tine tests for detection of tuberculosis were administered to some classes.

This report enumerates the many health services performed by the Medical Department. This work could not have been done without the assistance and cooperation of our nursing staff, the Board of Health, the School Department and the parents.

We offer our sincere thanks to all of them.

JACOB J. ZALVAN, M.D.

REPORT OF DENTAL CLINICS

The School Dental Clinic is now doing complete X-ray and oral examinations on all pupils who so desire in grades 1-6. If these examinations show that the child requires dental attention, the parents are notified and the X-rays are made available for the use of their private dentist. If time permits, as many cleanings as possible are done.

A total of 31 Dental Clinics were held between January 1 and December 31, 1970; 269 children were X-rayed, 299 received oral examinations and 48, oral prophylais.

HERMAN L. BROWN, D.M.D.

SCHOOL HEALTH PROGRAM

The Millis Board of Health Nursing Service carried out the school health program in 1970 using two part-time nurses and one school health aid who is a graduate of a Red Cross First Aid course.

Various immunization clinics and tuberculosis detection clinics were held in the schools; 685 routine physicals were done; every pupil was weighed and measured. We performed vision and hearing screening tests on 1715 school children with a total of 230 children failing and referred to private physicians; 2890 students were seen for various complaints ranging from upset stomach to broken bones. Health promotion and teaching were done mostly on an individual basis and several home visits were made concerning students' health problems.

SCHOOL SONG

Gray is the peaceful night:
 Day's closing brings it nigh
 Crimson which streaks the sky
 In radiant light.
 Those are our colors dear,
 Though we in numbers few
 To them we will be true
 When far or near.

Each year we work and strive
 To keep our ideals high,
 High as the distant sky,
 Each one alive.
 Memories of happy hours,
 Millis, thou school of ours,
 Hear this our welcome lay,
 Crimson and Gray.

REPORT OF THE TOWN ACCOUNTANT

The following is a report of the financial transactions of the town of Millis for the year ending December 31, 1970.

I wish at this time to thank the many citizens and town officials for their cooperation during the past year and I will continue my efforts to be of assistance whenever possible.

Respectfully submitted

GEORGE D. CASSIDY JR.

Marriages	99

FOR the LORD thy God
bringeth thee into a good land
a land of brooks of water,
of fountains and depths that
spring out of valleys and hills;
A land of wheat, and barley
and vines, and fig trees,
and pomegranates;
a land of oil olive, and honey;
A land wherein thou shalt eat bread
without scarceness thou shalt not
lack anything in it: a land
whose stones are iron, and out
of whose hills thou mayest
dig brass.

Deut. VIII: 7-8-9
